Recipient and its Contractors will give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining unit or other Agreement. The Recipient must include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

11. Excise Tax

- The State of California is exempt from Federal excise taxes and no payment will be made for any taxes levied on employees' wages. The CDFA will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another State.

12. Disputes

- The Recipient must continue with the responsibilities under this Agreement during any dispute. In the event of a dispute, the Recipient must file a "Notice of Dispute" with the CDFA Agreement Manager or designee within ten (10) calendar days of discovery of the problem. The Notice of Dispute must contain the Agreement number. Within ten (10) calendar days of receipt of the Notice of Dispute, the CDFA Agreement Manager or designee must meet with the Recipient for the purpose of resolving the dispute. In the event of a dispute, the language contained within this Agreement prevails.

13. Right to Terminate

- This Agreement may be terminated by either party hereto upon written notice delivered to the other party at least thirty (30) calendar days prior to the intended date of termination. By such termination, neither party may nullify obligations already incurred prior to the date of termination. In the event of Termination for Convenience of this Agreement by CDFA, CDFA must pay all responsible costs and non-cancellable obligations incurred by the Recipient as of the date of termination.

14. Termination for Cause

- Either party reserve the right to immediately terminate this Agreement for cause subject to written notice. However, each party will have ten (10) calendar days after receipt of the termination notice to cure the breach. If the breach is not cured within ten (10) calendar days of receipt of notice, the CDFA shall reimburse the Recipient for all documented costs incurred up to the date of termination, including all non-cancellable obligations.

15. Force Majeure

- The Recipient shall not be liable for any failure to perform as required by this Agreement, to the extent such failure to perform is caused by any of the following: labor disturbances or disputes of any kind, accidents, failures of any required governmental approval, civil disorders, acts of aggression, acts of God, energy or other conservation measures, failure of utilities, mechanical breakdowns, materials shortages, disease, or similar occurrences.

16. Suspension of Payments

17. Breach Provisions

- The Recipient may be in material breach under this Agreement if it fails to comply with any term of this Agreement. In the event of a material breach, CDFA shall provide in writing a Notice of Breach to the Recipient within ten (10) calendar days upon discovery of breach. - B. Demand repayment of all funding;
- C. Terminate the Agreement; or

- If CDFA determines that Recipient is not in material breach but that a Project is not being implemented in accordance with the provisions of this Agreement, or that Recipient has failed in any other respect to comply with the provisions of this Agreement, and if Recipient does not remedy any such failure in a reasonable manner, CDFA may withhold all or any portion of the grant funding and take any other action that CDFA deems necessary to protect its interests.

- Where a portion of the grant funding has been disbursed to the Recipient and CDFA notifies Recipient of its decision not to release funds that have been withheld pursuant to Exhibit B, Suspension of Payments Provision, the portion that has been disbursed shall thereafter be repaid immediately. CDFA may consider Recipient's refusal to repay the requested disbursed amount a contract breach subject to the default provisions in Suspension of Payments Provision.

If CDFA notifies Recipient of its decision to withhold the entire funding amount from Recipient pursuant to this paragraph, this Agreement shall terminate upon receipt of such notice by Recipient and CDFA shall no longer be required to provide funds under this Agreement and the Agreement shall no longer be binding on either party.

In the event CDFA finds it necessary to enforce this provision of this Agreement in the manner provided by law, Recipient agrees to pay all costs incurred by CDFA including, but not limited to, reasonable attorneys' fees, legal expenses, and costs.

18. Publicity and Acknowledgement

The Recipient agrees that it will acknowledge CDFA's support whenever projects funded, in whole or in part, by this Agreement are publicized in any news media, brochures, publications, audiovisuals, presentations or other types of promotional material in accordance with the Grant Procedures Manual, if applicable. 20. Scope of Work and Budget Changes

Changes to the Scope of Work, Budget or the Project term, must be requested in writing to CDFA Grant Administrative Contact no later than thirty (30) days prior to the requested implementation date. Any changes to the Scope of Work and Budget are subject to CDFA approval and, at its discretion, CDFA may choose to accept or deny any changes. CDFA will respond in writing as to whether the proposed changes are accepted.

21. Reporting Requirements

The Recipient agrees to comply with all reporting requirements specified in Scope of Work and/or Grant Procedures Manual, if applicable.

22. Equipment

24. Confidential and Public Records

The Recipient and CDFA understand that each party may come into possession of information and/or data which may be deemed confidential or proprietary by the person or organization furnishing the information or data. Such information or data may be subject to disclosure under the California Public Records Act or the Public Contract Code. CDFA has the sole authority to determine whether the information is exempt from public release. If CDFA deems the data exempt, it shall maintain such information as confidential and notify the Recipient of any requests for release of the information.

25. Property Damage Claims Process

The written request shall be fully supported by factual information. The Agency Secretary or designee will have thirty (30) calendar days after receipt of the written request to render a written decision. If a written decision is not rendered within thirty (30) calendar days after receipt of the request or the property owner disputes the CDFA's decision, the property owner may file a claim with the California Department of General Services.

26. Amendments

Fuels, Lubricants, and Automotive Products Program

SCOPE OF WORK

In the best interest of the state, under the authority of the Secretary of the California Department of Food and Agriculture (CDFA), and in accordance with the California Business and Professions Code (BPC), Section 13434, the Division of Measurement Standards (Division) and the county (County) agree to the conditions and requirements within this Scope of Work.

The Division will pay the County \$75.00 for each completed initial inspection of a business establishment selling or distributing petroleum and/or automotive products, provided the inspection is completed to determine compliance with BPC Chapters 14, 14.5 and 15. The total allocation to the County for these inspections shall not exceed this Agreement. For purposes of this Agreement, an initial inspection is the first physical inspection in the fiscal year of a business establishment where the *primary* business is selling fuels, lubricants, and automotive products; e.g., retail service stations, distributors of engine fuels, oils, and quick-lube shops. Inspections at equipment rentals, marinas, and/or aviation fuel locations will not be accepted.

Inspection Requirements:

The County shall complete an initial inspection to verify compliance with the appropriate provisions of the BPC and the California Code of Regulations relating to the advertising and labeling of petroleum and automotive products and compliance with the provisions of BPC Section 13660. Findings shall be recorded on the Petroleum Inspection Report supplied by, or approved by, the Division.

Within five (5) working days of conducting an inspection, the County shall submit a completed legible copy of the pink Petroleum Inspection Report form to the Sacramento office. Electronic submission may be provided to the Fuels, Lubricants, and Automotive Products Program's e-mail address at cdfa.dms_petroleum@cdfa.ca.gov.

The assigned number of inspections at brake shops, quick-lube shops, and other retail establishments selling bulk petroleum products or automotive products shall not exceed 10% of the total annual initial inspections authorized. The Division reserves the right to, at its discretion, assign and direct the County to collect designated samples of bulk lubricants or automotive products for the purpose of conducting marketplace surveys and initial inspections at specific stations. The business establishments visited for the purpose of obtaining these designated samples shall be counted as inspections authorized under this Agreement and will be billable up to \$75.00 per location. Prior to being assigned sampling duties, the Division will provide training in the proper sampling and chain of evidence completion procedures. Unless otherwise directed, all samples are to be submitted to the Division's laboratory in Sacramento.

Sample containers will be provided by the Division. Payment for product samples and transportation of the sample to the Division's laboratory shall be the responsibility of the County. The County will use the inspection and sampling procedures outlined in the

Fuels, Lubricants, and Automotive Products Program

Division of Measurement Standards' "Petroleum Products Program Manual." Off sale of samples not meeting product specifications shall be the responsibility of the County, or the Division if requested to do so by the County, and will be handled in accordance with the guidelines established in the Division's "Citation Manual." Current versions of the "Petroleum Products Program Manual" and the "Citation Manual" are available on the Division's website at <http://www.cdfa.ca.gov/dms/>.

Nothing in this Agreement prevents or precludes Division staff from performing routine business establishment inspections within the County. The County will be notified when Division staff is performing these inspections within the County. The Division also reserves the right to re-inspect business establishments that were previously inspected and billed for by the County. These re-inspections are for the purpose of evaluating the work of the County. Enforcement action, if needed, will be taken by Division staff following the "Citation Manual" guidelines.

Per BPC Section 12015, the County agrees that appropriate enforcement action shall be taken upon discovery of violation(s) at the business establishment being inspected. The enforcement actions will be handled in accordance with the guidelines established in the Division's "Citation Manual." If the appropriate enforcement action is more than the issuance of a Notice of Violation (NOV), and if the County is unable or fails to take that action against the violator, the Division shall take the specified enforcement action and payment for the inspection will be withheld.

The original inspection report shall be maintained at the County Office of Weights and Measures for four (4) years and be made available to the CDFA upon request.

All requests for payment under this Agreement shall be made using the Fuels, Lubricants, and Automotive Products Agreement Invoice, attached, with the County's official letterhead included. The invoice shall be submitted quarterly and include a summary sheet with the following information: the total number of initial inspections conducted; the name and address of the business establishment inspected; the number of designated samples taken; the name and address where the samples were taken; and, the amount of money requested. Funds will be disbursed to the County on approval of the invoice submitted quarterly.
