

CONDITIONS OF APPROVAL (Lot Line Adjustment)

APPROVAL OF THE LOT LINE ADJUSTMENT IS CONDITIONED ON THE FOLLOWING TERMS AND REQUIREMENTS WHICH MUST BE SATISFIED BEFORE COMPLETION OF THE PROJECT:

1. Applicant shall obtain Board of Supervisors approval for the associated General Plan Amendment and Zone Reclassification prior to Lot Line Adjustment recordation.
2. A Notice of Lot Line Adjustment shall be recorded for each resultant parcel. The following information must be submitted to the Planning Department for review prior to recordation:
 - a. A copy of the existing deeds and the deeds to be recorded for the adjusted parcels. If the property is not changing ownership, only the existing deeds are required.
 - b. A Preliminary Title Report regarding ownership of parcels involved. The title report documents must be current at time of submittal. Depending on the date of the report preparation, updating may be necessary.
 - c. A completed "Notice of Lot Line Adjustment and Certificate of Compliance" form for each parcel.
 - d. Document review fees as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors.
3. Per Department of Public Works:
 - a) Monumentation: the angle points of the new property lines shall be monumented pursuant to County Code Section 325.5-9. The requirement for setting monuments may be waived by the County Surveyor if any one of the following findings can be made.
 - (a.1) The new boundary line(s) are already adequately monumented of record.
 - (a.2) The new boundary line(s) can be accurately described from Government Subdivision Sections or aliquot parts thereof.
 - (a.3) The new boundary line(s) can be accurately described and located from existing monuments of record.

(a.4) The new boundary is based upon physical features (i.e. roads, creeks, etc.) which themselves monument the line.

b) Graphical Exhibit: If a Record of Survey will not be filed as part of a Lot Line Adjustment, the Lot Line Adjustment shall include a graphical exhibit compiled from record data depicting the resulting lots. 3.

c) **Informational Note:** Monumenting a line that is not shown on a filed map is what triggers a Record of Survey pursuant to B&P Code Section 8762(b)(4).

d) Additional Informational Note: The subject property is located in the State Responsibility Area and is subject to the County's Fire Safe Regulations (FSR) as set forth in County Code. Development of the subject property must comply with the FSR. The Department is involved with ensuring that roads meet minimum FSR. The most common issues with roads not conforming to the FSR are: the maximum length of dead-end road is exceeded; the width of road is too narrow; the grade of the road is too steep; and curve radii are too small. Development of the subject property may require extensive on-site and off-site road improvements in order to meet minimum standards. The applicant should be advised that approval of the General Plan Petition, Zone Reclassification, or Lot Line Adjustment does not imply that the FSR have been met or can be met

4. When the parcels being adjusted are not held in common ownership, copies of the executed deeds (signed but not recorded) prepared by a qualified individual must be submitted for review by the Planning and Public Works Departments.
5. A map revision fee as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$106 per parcel) as required by the County Assessor shall be paid to the Humboldt County Planning Department, 3015 "H" Street, Eureka. The check shall be made payable to the "County of Humboldt". The fee is required to cover the Assessor's cost in updating the parcel boundaries.
6. The applicant shall comply with the provisions of Section 321-14 of the Humboldt County Code concerning reapportionment or payment of special assessments.
7. **Applicant shall provide documentation from the County of Humboldt Tax Collector that all property taxes for the parcels involved in the Lot Line Adjustment have been paid in full if payable, or secured if not yet payable, to the satisfaction of the County Tax Collector's Office, and all special assessments on the property must be paid or**

reapportioned to the satisfaction of the affected assessment district. Please contact the Tax Collector's Office approximately three to four weeks prior to filing the Notice of Lot Line Adjustment to satisfy this condition. *Note: The purpose of this condition is to avoid possible title consequences in the event of a tax default and sale affecting the owner's real property interest. If property is acquired as a result of a Lot Line Adjustment and said property has delinquent taxes, the property cannot be combined for tax purposes. This means, that the owner will receive two or more tax bills, and penalties and interest will continue to accrue against the land which has delinquent taxes. If five or more years have elapsed since the taxes on the subject property were declared in default, such property will be sold by the County Tax Collector for non-payment of delinquent taxes unless the amount required to redeem the property is paid before sale. Property combined by lot line adjustment but "divided" by tax sale will require separate demonstration of subdivision compliance of all resultant parcels prior to the County's issuance of a building permit or other grant of authority to develop the subject properties.*

8. The applicant is required to pay for permit processing on a time and material basis as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. The Department will provide a bill to the applicant after the Planning Commission decision. Any and all outstanding Planning fees to cover the processing of the application to decision by the Hearing Officer shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka.

Informational Notes:

1. A Record of Survey as outlined in the Business and Professions Code of the State of California may be required pursuant to Section 8762 of the Land Surveyors Act which states in part, a Record of Survey shall be filed upon "...the establishment of one or more points or lines not shown on any subdivision map, official map, or record of survey...".
2. Approval of this Lot Line Adjustment does not guarantee that developable parcels will result. Final approval for any development will depend on demonstration of conformance with site suitability requirements in effect at the time development is proposed.
3. This permit, including the Lot Line Adjustment shall expire and become null and void at the expiration of three (3) years after all appeal periods have lapsed (see "Effective Date"). This approval may be extended in accordance with the Humboldt County Code.

4. The Humboldt County zoning map shall be revised to conform to the realigned zone boundary per the zone boundary determination of the Humboldt County Planning Commission (H.C.C. §311-8.2).
