Staff Recommendation for Streamside Management Area Alignment

Starting on the northwestern portion of the property, the reduced streamside management area (SMA) boundary shall be 20 feet from the existing fence. See photos with annotations below.

Blue flag is approximately 20 feet from fence

Blue flag approximately 20 feet from fence

Blue flag closest to camera is approximately 20 feet from fence

Once past the bamboo stand, which is proposed to be removed, the proposed alignment would follow the pink flags depicted in the photos.
