Per the CCC, the Board of Supervisors needs to direct Planning and Building Department staff to transmit the following coastal ordinances (Tiny House Village Ordinance, Emergency Housing Village Ordinance, Commercial Residential Ordinance, Zoning Updates Ordinance, Supportive and Transitional Housing Ordinance, Emergency Shelter Ordinance, and Outdoor Lighting Ordinance), including all necessary supporting documentation, to the California Coastal Commission as an amendment to the certified Local Coastal Program for their review and certification in accordance with Public Resources Code Section 30514.

The CCC will not review or start the certification process for these seven ordinances until the resolutions are amended to include the following actions by the Board of Supervisors:

1. Find that the proposed amendments to the Coastal Zoning Regulations conform to and appropriately carry out the policies of each of the Humboldt County's six Coastal Plans and Chapter 3 of the Coastal Act, and further find that the proposed Zoning Regulations will be carried out in accordance with the Coastal Act; and
2. Find that the changes to the Coastal Zoning Regulations will become effective only upon certification by the California Coastal Commission; and
3. Certify that this amendment is intended to carry out the provisions of the local coastal program adopted by the County and certified by the California Coastal Commission per public resources code 30510.
4. Direct Planning and Building Department staff to transmit the ordinance (25- \_\_), including all necessary supporting documentation, to the California Coastal Commission as an amendment to the certified Local Coastal Program for their review and certification in accordance with Public Resources Code Section 30514.
