RE: Prospective Jail Based Competency Treatment ("JBCT") Subcontract by and between Humboldt County (the "County") and California Forensic Medical Group, Inc. ("CFMG")

Captain Christian:

This letter shall serve to confirm CFMG's intention to subcontract with the County for the County's provision of JBCT services to the California Department of State Hospitals. CFMG is actively reviewing the County's draft Scope of Work, and we look forward to discussing a definitive subcontract for these services.

In the meantime, please do not hesitate to contact me with any comments, questions, concerns, updates, or requests. We look forward to continuing and deepening our relationship with the County and our commitment to patients.

Best regards,
