RE: Award Recommendation Letter

Schedule I – Acquire Aircraft Rescue and Fire Fighting (ARFF) Vehicle
California Redwood Coast – Humboldt County Airport – McKinleyville, California
AIP No. 3-06-0010-0xx-2025 | Lochner No. 24139

Mr. Cooley,

Bids were received for the above noted project on June 18, 2025. One (1) bid was received and is shown in the attached bid tabulation.

The bid was reviewed for math errors, bid bonds and other items of responsiveness. The bid appears to be responsive. A general review of the bid is summarized below:

CONTRACTOR	10% Bid Bond Included	Required Proposal Sheets Included	Addenda Acknowledged	Listed on Federal Disbarred Contractors List ¹
Oshkosh Airport Products	Yes	Yes	Yes	No

¹ Based on information from the Federal System for Award Management website, accessed on June 20, 2025.

A great deal of effort was put forth to attract bidders to this project. A total of ten (10) sets of specifications were purchased by potential bidders, plan rooms, and suppliers. The advertisement for bids for the project was published for fourteen (14) days prior to the bid opening. A pre-bid conference was held via videoconference to answer questions and show the project to potential bidders.

Based on conversations with FAA ADO staff, it is believed that sufficient funds are available for the budget listed below. A grant application is enclosed with this letter and should be signed and forwarded to the FAA as soon as possible.

Our recommendation is to award Schedule I to Oshkosh Airport Products for a total contract amount of \$1,060,667.00 upon receiving the grant offer from the FAA Program Manager.

The following budget needs to be developed for AIP No. 3-06-0010-0xx-2025 consisting of:
