DISCUSSION:

The California Department of Social Services (CDSS) administers all United States Department of Agriculture (USDA) Supplemental Nutrition Assistance Program (SNAP) funds. Focusing on the important role SNAP plays in access to nutrition and the relation of nutrition to overall wellness, CDSS renamed and re-branded food stamps as CalFresh in California. Beyond the name and image changes, CDSS also made significant program changes to increase CalFresh use by reducing enrollment and retention barriers. Many low-income individuals and families continue to lack awareness of the program and do not apply for CalFresh benefits. Many others are not aware of program changes that can make it easier for them to receive CalFresh benefits.

USDA and CDSS have encouraged counties to work with community partners to help reach and

inform community members who might be eligible for CalFresh benefits. Continuing work through outreach partnerships with community-based organizations has led to a significant increase in CalFresh enrollment within Humboldt County and throughout the state.

United Indian Health Services, Inc. currently provides a comprehensive range of health-related services to over 10,000 registered clients as part of a consortium of nine federally recognized tribes, which includes the Yurok Tribe, Wiyot Tribe, Bear River Band of Rohnerville Rancheria, Blue Lake Rancheria, Trinidad Rancheria, Big Lagoon Rancheria, Resighini Rancheria, Tolowa Dee-ni' Nation and Elk Valley Rancheria. United Indian Health Services, Inc. has partnered with the Humboldt County Department of Health and Human Services - Social Services (DHHS - Social Services) regarding the provision of CalFresh community outreach services over the past 6 years by integrating CalFresh outreach and enrollment assistance into the services provided thereby. The CalFresh community outreach and support services provided by United Indian Health Services, Inc. reach hundreds of vulnerable individuals throughout Humboldt County and are vital to increasing the health and wellbeing of our communities.

The attached professional services agreement will allow United Indian Health Services, Inc. to continue providing community outreach and support services that are designed to increase utilization of the CalFresh program by eligible households, raise awareness of the nutrition benefits of the CalFresh program, promote healthy food choices, reduce hunger amongst seniors and children and help to dispel program myths and misconceptions. It should be noted that the attached professional services agreement with United Indian Health Services, Inc. comes to the Board after the start date thereof due to unexpected delays that occurred during the contract development process.

Accordingly, DHHS - Social Services recommends that the Board approve, and authorize the Chair of the Board to execute, the attached professional services agreement with United Indian Health Services, Inc. regarding the provision of community outreach and support services related to the CalFresh program for the period of Nov. 1, 2020 through Oct. 31, 2021. Staff also recommends that the Board authorize the DHHS - Social Services Director, or a designee thereof, to execute any and all subsequent amendments to the attached professional services agreement with United Indian Health Services, Inc., after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed community outreach and support services.

FINANCIAL IMPACT:

The attached professional services agreement with United Indian Health Services, Inc. has a maximum amount payable of \$252,646 for the period of Nov. 1, 2020 through Oct. 31, 2021. However, in the event local, state or federal funding is reduced or eliminated, the County of Humboldt may reduce the above-referenced maximum amount payable or terminate the attached professional services agreement with United Indian Health Services, Inc. in its entirety.

Expenditure appropriations related to the attached professional services agreement with United Indian Health Services, Inc. have been included in the approved fiscal year 2020-2021 budget for DHHS - Social Services budget unit 1160-511. Funding for the attached professional services agreement with

United Indian Health Services, Inc. is available through CalFresh revenues received by DHHS - Social Services. As a result, approval of the attached professional services agreement with United Indian Health Services, Inc. will not impact the Humboldt County General Fund.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the attached professional services agreement with United Indian Health Services, Inc. regarding the provision of community outreach and support services related to the CalFresh program. However, this alternative is not recommended since it will limit DHHS - Social Services' ability to increase CalFresh participation and thereby improve the health and economic stability of children, families and other individuals in Humboldt County.
