DISCUSSION:

The Agricultural Commissioner's office receives annual subventions from CDFA-DMS to offset the local cost of enforcing certain state-mandated programs. Cooperative Agreement No. 22-0200-000-SA provides funding for Humboldt County's Weighmaster Enforcement Program activities. DMS will pay Humboldt County \$240.00 for each completed initial inspection of an assigned junk dealer or recycler establishment licensed as a weighmaster to determine compliance with Business and Professions Code section 12703.1. An initial inspection is the first physical inspection in the fiscal year of a business location after renewal or issuance of a weighmaster license. The total allocation to the County for these inspections shall not exceed \$720.00.

The waiver from the provisions of the Nuclear Free Ordinance is requested since the State of California will not modify its cooperative agreements to accommodate local ordinances.
