Subject: Letter of Support PLN2022-17669

To whom it may concern,

I am writing this letter in strong support of Pacific Roots Cannabis (PLN2022-17669) proposed expansion. As a fellow cultivator I know all too well how difficult it is to run a viable farm, as such I fully support any responsible operations.

Alex and his family have been long time residents and my neighbours on Chambers Rd for as long as I can remember. As a dedicated and committed member of the community and advocate for responsible, sustainable farming who has chosen to raise his Family in Petrolia he is a model of exactly the kind of cultivator the County should be supporting if there is to be any long term viable Cannabis Industry in Humboldt County.

Please approve this permit without any additional conditions or delay.

Thank you for your consideration,
Jason Goforth
