Board Order No. H-2: H-1

Meeting of: 1/09/2018; 2/06/2018

and carried by those members present, the Board hereby approves the recommended action contained in this Board report.

Dated:
By:
Kathy Hayes, Clerk of the Board

DISCUSSION:

The Homeless and Housing Ad Hoc Committee was formed on Jan. 9, 2018. The ad hoc committee reported back to your Board on Feb 6. At that time your Board directed changes to the shelter crisis and committee resolutions. Those changes are described below:

- Change the name of the committee to Housing Trust Fund and Homeless Solutions Committee.
- In “*Section 3. Duties*” of the committee resolution include language regarding “homeless solutions” and/or “homelessness policies” and make recommendations to your Board on homeless issues.
- Extend the timeframe for a shelter crisis and review at one year.

Attached your Board will find documents tracking the changes requested, as well as clean copies with changes.

The primary benefit to a shelter crisis declaration is the suspension of state and/or local regulatory statutes, regulations, and ordinances that prescribe standards of housing, health, and/or safety to the extent strict compliance with those regulations would make it difficult for the county to operate a shelter program. The decision to declare a shelter crisis does not impact a non-governmental organizations ability to offer a shelter program. In order to secure a site for such a program, your Board could choose to lease land or a facility from a nonprofit, private entity or citizen who may wish to offer a shelter program; or you may decide to operate a shelter in an unused county facility. It is important to note that if your Board chooses to adopt any of the approaches described above, the county is still required to comply with Title II of the Americans with Disabilities Act. This is specific to state and local governments and requires that all programs, services, activities and facilities must be accessible to all individuals with disabilities. There are currently no General Fund dollars identified or allocated for this purpose.

Also for consideration is the data received from the Point-In-Time Count that was published on July 20, 2017. Of the 350 homeless individuals counted, 206 were living within the city limits of Eureka, and 150 were counted within the unincorporated areas of the county, or other municipalities. A county shelter crisis declaration will apply only within the unincorporated areas of the county. The City of Eureka has declared a shelter crisis that covers Eureka, but not the other municipalities in the county. There are currently 120 shelter beds available at the Mission in Eureka and 19 beds through Arcata House Partnership. Additional shelter beds can be made available at the Mateele and First Baptist Church in Redway, Arcata House Partnership and local churches in McKinleyville.

Should your Board adopt a resolution declaring the existence of a shelter crisis with no site/project identified, the ad hoc recommends using the Housing Trust Fund and Homelessness Solutions Committee (HTFHSC) to evaluate sites/projects identified by the community, using criteria stated in the HTFHSC resolution, and bringing back recommendations for your Board’s review.

FINANCIAL IMPACT:

There is minimal financial impact related to the Homeless and Housing Ad Hoc Committee, as staff time is already budgeted for in the Fiscal Year 2017-18 budget. However, costs associated with a shelter crisis declaration are unknown at this time and would be the responsibility of the General Fund. There are currently no funds allocated to this endeavor.

This action supports the Board’s Strategic Framework by creating opportunities for improved safety and health and protecting vulnerable populations.

OTHER AGENCY INVOLVEMENT: None.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Board discretion.
