INSURANCE:

Current proof-of-insurance certificates, indicating compliance with the requirement listed below, must be included with this application:

- A. CONTRACT SHALL NOT BE EXECUTED BY COUNTY and the CONTRACTOR is not entitled to any rights, unless certificates of insurances, or other sufficient proof that the following provisions have been complied with, and such certificate(s) are filed with the Clerk of the Humboldt County Board of Supervisors.

- B. CONTRACTOR shall and shall require any of its subcontractors to take out and maintain, throughout the period of this Agreement and any extended term thereof, the following policies of insurance placed with the insurers authorized to do business in California and with a current A.M. Best rating of no less than A:VII or its equivalent against injury/death to persons or damage to property which may arise from or in connection with the activities hereunder of CONTRACTOR, its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:
 - 1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000) per occurrence for any one (1) incident, including, personal injury, death and property damage. If a general aggregate limit is used, either the general aggregate limit shall apply separately to this project or the general aggregate shall be twice the required occurrence limit.
 - 2. Automobile/Motor liability insurance with a limit of liability of not less than One Million Dollars (\$1,000,000) combined single limit coverage. Such insurance

County of Humboldt
Eureka, California

shall include coverage of all “owned”, “hired”, and “non-owned” vehicles or coverage for “any auto.”

3. Workers Compensation as required by the Labor Code of the State of California, with Statutory Limits, and Employers Liability Insurance with limit of no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease. Said policy shall contain or be endorsed to contain a waiver of subrogation against COUNTY, its officers, officials, agents, representatives, volunteers, and employees. In all cases the above insurance shall include Employers Liability coverage with limits of not less than One Million Dollars (\$1,000,000) per accident for bodily injury and disease.

4. Insurance Notices must be sent to:

County of Humboldt

Sacramento, CA 94298-0001
Attn: RSPV Coordinator - 061

The CHP will conduct an annual inspection of required personnel records, records of calls, company requirements, and emergency ambulance(s) prior to existing license expiration. It is not necessary, however, to have inspections conducted prior to submitting your renewal application.

The licensed activity must cease immediately upon expiration of the license. There is no grace period.

LIST OF VEHICLES TO BE OPERATED INSTRUCTIONS

Complete the following entries on form CHP 361A.

SERVICE NAME/DOING BUSINESS AS: Enter the legal name of the company and the DBA, if different.

TOTAL NUMBER OF VEHICLES: Enter the total number of emergency ambulances in your fleet. **Do not list support or supervisor vehicles.**

SERVICE ADDRESS: List the company's headquarters address. Include city, state, and zip code.

CHP LICENSE NUMBER (renewals only): Enter the CHP Emergency Ambulance Service License number.

CHP ID CARD No. (renewals only): Enter the vehicle ID certificate number as listed on the Special Identification Certificate/Permit, CHP 301.

YEAR: Enter the year the vehicle was manufactured.

MAKE/MODEL: Enter the vehicle make and model.

LICENSE PLATE No.: Enter the vehicle license plate number issued by the DMV.

VEHICLE IDENTIFICATION No. (VIN): Enter the **entire** VIN.

USUAL VEHICLE LOCATION: Enter the location of each ambulance if different from the service address listed.

VEHICLES REMOVED FROM SERVICE (renewals only): Enter the same information as above for each previously certified ambulance removed from service since the last license renewal. If the Special Identification Certificate/Permit has not been surrendered, enclose it with this application.

CHANGE OF OWNERSHIP OR CONTROL

Licenses are non-transferable. A majority change in ownership or control of a licensed activity requires a **new license**. A change in ownership or control includes, but is not limited to, a change in corporate status or a stock transfer of shares possessing more than 50 percent of the voting power of the corporation. A change in ownership or control does not include the addition or deletion of partners, officers, directors, or board members comprising 50 percent or less ownership or control of the licensed activity, if both of the following are complied with:

- The new partners, officers, directors, or board members have not committed any acts that would disqualify them from obtaining a license as described in Section 2541 CVC.
- An amended license application form indicating the changes is submitted within 10 days of the change. Appropriate fingerprint forms and required fees must also accompany an application for an initial or amended license.

LATE OR INCOMPLETE FORMS

An application for license renewal received after the license expiration date, or incomplete applications not corrected prior to the license expiration date, must be accompanied by \$200.00. If the license is not renewed within 30 days following the expiration date, the applicant must comply with the requirements for obtaining an initial license.

QUESTIONS/ADDITIONAL FORMS

If you have any questions or need additional forms, please telephone the RSPV Program Coordinator at 916/843-3440 or, for the hearing impaired, (800) 735-2929 TT/TDD, Monday through Friday, excluding state holidays, 8:00 A.M. to 5:00 P.M.

APPLICATION CERTIFICATION
It is agreed that the licensed activity will be conducted in compliance with all applicable laws and regulations, and that the applicant is aware of all applicable California laws and regulations pertaining to emergency ambulance operations. It is understood that violation of any law or regulation may result in the filing of a criminal action in a court of law or the filing of an administrative action to suspend or revoke the license. It is also understood that misrepresentation of a material fact in conjunction with this application is a misdemeanor violation of the California Vehicle Code and may result in denial or revocation of the license. State law allows the State Board of Equalization and the Franchise Tax Board to share taxpayer information with the Department and requires a licensee to pay any state tax obligation, or their license may be withheld or suspended if the state tax is obligation not paid. This is pursuant to Section 31(e), Business and Professions Code.

Quarterly Report 1st Quarter 2022

Hoopa Ambulance continues to pursue opportunities for quality improvement in all areas of our service. Following is a summary of activities according to the categories identified in the Quality Improvement Program (QIP).

PERSONNEL

All ambulance personnel maintained current certifications/licenses as required by applicable regulations. All paramedics are currently certified in ACLS, PALS, NRP, Low Angle Rescue and PHTLS. WE provide our own in-house instructors for ACLS, PALS, and Low Angle Rescue Training.

As far as ALS coverage, Hoopa is holding their own even with high turnovers of Employees. We are losing Employees to AMRA and City Ambulance. Due to the high Gas prices and their higher pay rate it is an easy transaction for the crew that lives on the coast to be persuaded to jump ship.

KMC is entertaining the thought of holding an EMT -1 class for our local's community. We are hoping to spark some interest. After speaking to the Hoopa CR branch this could be possible. We are seeking funding through CR and Grants. We are hoping this will only strengthen our EMT employment personnel in our rural/wilderness area.

Hoopa is a sovereign nation because of that we have many Tribal entities. This included tribal police/ dispatch, Tribal school programs, OES. CR branch, KMC, and many more programs of the Hoopa tribe.

KMC Ambulance currently has 3 FTO's and 2 Paramedic students in the CR program.

EQUIPMENT and SUPPLIES

Vehicles

Hoopa has established a high-tech radio tower and a digital radio system, we are awaiting other funding to have our own CAD system. We are currently using a GPS and local dispatch and officer to locating residents.

All ambulances are on a maintenance program that requires varying levels of inspection and servicing based on mileage at 5,000-7,000-mile intervals. All 4 of our units are 4x4, our unit are able to plug into a 30-amp shoreline to ensure that the rig and equipment remains at the regulated Temp.

Due to NCEMS optional scope, Hoopa is able to carry a few more essential meds that could make a different in-patient care due to our long transports. KMC has their own stock room including meds, we will be only using MRCH restocking policy on a as needed bases. 20 % extra add handling fee is a little extreme. Not sure why we cannot freely restock the items we use, when we deliver a PT to MRCH.

DOCUMENTATION

A Prehospital Care Report (PCR) was written on all calls with patient contact, including inter-facility transfers and non-transport. KMC has a data program that gives our medical Board a clear picture of the types of calls we ran. We also use the data for Measure Z. This helps fund the Willow CR area. Every call is reviewed by the director of operations, that is myself, critique and feedback play a big part in the CQI and QIP program, Morning chats with the off going and oncoming crews, this makes it more personalized.

There is a daily check off sheet and inspection for each unit and narc log.

TRANSPORTATION/FACILITIES

Hoopa Ambulance is a 911 system, that being said the ambulance crew are no strangers to unexpected medical and traumatic injuries, dive ups.

PUBLIC EDUCATION and PREVENTION KMC

Ambulance receive a large grant for training, prevention, and community awareness. Through this program we have distributed 18 AED's and provided CPR and 1st Aid training to the Hoopa area. We also have onsite training manikins Adult, Child, Infant that are here for our staff to improve their skills. Narcotic awareness and Narcan class have been held, KMC Ambulance also joined the NCEMS Narcan hand out program along with other programs our Ambulance crews have handed out over 100 + Narcan kits, this includes are entire service area. COVID is finely slowed down some we will be visiting the local schools again both in the Hoopa and the Willow CR area. We will be taking the ambulance to the schools for show and tell and handing out Emergency awareness color book/crayons. Hoopa. KMC Ambulance will be attending the Annual Health fair and the educational recruitment program for the Hoopa High School in our local area.

RISK MANAGEMENT

All crews continue daily temperature checks upon reporting to work. N-95 masks are still required for patient contact. Hoopa and KMC still requires the use of a face shield, KMC crews are fully vaccinated.

Hoopla tribe and KMC has a will devolved OES Emergency system. KMC HR provides us with ongoing training and awareness classes. There are over 27 Online health stream training classes that the EMS crew has to participate in each year.
