This Memorandum of Understanding ("MOU"), entered into this 2 day of October, 2018, by and between the County of Humboldt, a political subdivision of the State of California, hereinafter referred to as "COUNTY," and the City of Blue Lake, a municipal corporation, hereinafter referred to as "CITY," is made upon the following considerations:

WHEREAS, California Government Code Section 26227 provides that the board of supervisors of any county may appropriate and expend money from the county's general fund to finance programs deemed to be necessary to meet the social needs of the population of the county, including, but not limited to, the areas of health, law enforcement and public safety; and

WHEREAS, COUNTY placed a one-half (.5) cent local sales and use tax measure, known as "Measure Z," on the November 2014 ballot to maintain and improve essential services; and

WHEREAS, Measure Z was passed by the voters of Humboldt County on November 4, 2014 and became operative on April 1, 2015; and

WHEREAS, due to the passage of Measure Z, COUNTY has additional funding to maintain and improve essential services, including, without limitation: law enforcement services; emergency response services; illegal marijuana cultivation enforcement and prevention; child abuse enforcement and prevention; crime investigation and prosecution; substance abuse rehabilitation; mental health treatment; rural fire protection, road repairs; and other necessary services relating to the areas of health, law enforcement and public safety; and

WHEREAS, COUNTY created a nine (9) member Citizens Advisory Committee to review Measure Z funding applications and make recommendations to the Humboldt County Board of Supervisors; and

WHEREAS, on or about February 23, 2018, CITY submitted a Measure Z application to the Citizens' Advisory Committee requesting an allocation in the amount of Seventy-Five Thousand Three Hundred Seventeen Dollars (\$75,317.00) for the purpose of contracting with the Humboldt County Sheriff's Department ("HCSO") to fund a one-half (.5) full-time equivalent ("FTE") Deputy Sheriff position, which is attached hereto as Exhibit A – Application for Measure Z Funding – and incorporated herein by reference; and

WHEREAS, on June 26, 2018, the Humboldt County Board of Supervisors approved the Measure Z application submitted by CITY in the amount of Seventy-Five Thousand Dollars (\$75,000.00) through June 30, 2019; and

WHEREAS, COUNTY and CITY desire to enter into an agreement which sets forth each party's rights and responsibilities regarding the expenditure of Measure Z funds allocated to CITY.

NOW THEREFORE, in consideration of the foregoing, and of the mutual promises contained herein, the parties hereto agree as follows:

B. Without Cause. COUNTY may terminate this MOU without cause upon thirty (30) days advance written notice to CITY. Such notice shall state the effective date of the termination.

In the event such funding is reduced or eliminated, COUNTY shall, at its sole discretion, determine whether this MOU shall be terminated. COUNTY shall provide CITY seven (7) days advance written notice of its intent to terminate this MOU due to insufficient funding.

1. AMOUNT OF MEASURE Z FUNDING REQUESTED FOR FY 2018-19: \$75,317.00

2. ENTITY TYPE -- Please check appropriate box.

- a. Humboldt County Department
- b. Contract Service Provider to Humboldt County
- c. Local Government Entity
- d. Private Service Provider
- e. Non-Profit Service Provider
- f. Other

3. Please provide brief description of proposal for which you are seeking funding.

The City of Blue Lake is requesting funding in the amount of \$75,317.00 to support the on-going services of a ½ time Humboldt County Sheriff Deputy. The City of Blue Lake currently contracts with the Humboldt County Sheriff for two full time deputies and has received Measure Z funding in 2017 to support a ½ time position. The City of Blue Lake currently shares the ½ deputy with the City of Trinidad.

4. *Measure Z* funding is scheduled to "sunset" in 2020. How are you developing a plan for sustainability, including diversification of funding sources, in order for your proposal to carry on without reliance on future *Measure Z* funds?

The City of Blue Lake has limited resources to fund additional contract positions; the City currently expends almost 1/3 of the City's annual general fund budget to support two full time deputy positions and is looking for creative solutions and partnerships to increase community security. Although future funding for the ½ deputy may not be available, the City is working with our current resources to identify future opportunities and partnerships to maintain current service levels. The City Council has expanded the scope of duties for the Public Safety Commission in order to address community safety in a more comprehensive and holistic manner. The Public Safety Commission is working on various levels to address community concerns; current initiatives include the development of additional Neighborhood Watch Programs, traffic calming solutions, volunteer

patrols, lighting improvements, safety assessments, partnership opportunities, funding opportunities and increased community communication. Leveraging existing resources to build future capacity is at the forefront of the Commission's mission and we are confident that we are laying the foundation for future success. Working in partnership with the Humboldt County Sheriff, the Commission is working to maximize our current resources to address issues before they become future problems.

The City of Blue Lake is undergoing an economic transformation that may increase future revenues for the City; with several business development plans on the horizon, the City may be in a future position to expend additional resources on community enhancement initiatives. With increased tourism will come the need to increase public safety resources which may translate to increased funding for law enforcement services.

5. If this request is for the continuation, or expansion, of an existing program/service, what is the current source of funding for that program/service?

The City's 1/2 time Sheriff Deputy position is funded by 2017 Measure Z funding.

6. If you are awarded Measure Z funds, how will you use them to leverage additional grants, contributions, or community support?

The City will utilize Measure Z funding to continue the services of our 1/2 Deputy Sheriff and will continue to build capacity and response to community concerns by facilitating community engagement and targeted patrol activities. The City's Public Safety Commission is actively pursuing opportunities to leverage funding, increase volunteer capacity and make community improvements to assist in crime reduction. The Public Safety Commission works in partnership with the City Manager and the City Council to advocate for resources and actively engages with the deputies to identify problems and creative solutions. The Public Safety Commission continues to build community support through monthly meetings and an annual Public Safety Meeting that provides additional opportunities for the community to interact with the Sheriff Deputies. These meetings have proven to be highly successful and engaging.

7. Will this proposal require new or expanded activity on the part of another entity to be fully functional and effective? If so, please describe.

No, this funding request will support an on-going position.

8. Are there recurring expenses associated to this application, such as personnel costs? Please check yes or no and if so, please detail those expenses. Yes No

This funding request will support the personnel costs for the City of Blue Lake's 1/2 time Deputy Sheriff position.

ATTACHMENTS—Please include the following with your application.

City of Blue Lake-2018 Measure Z Request

The City of Blue Lake is requesting funding from the Measure Z Program in the amount of \$75,000.00 to continue funding for the services of a half-time Humboldt County Sheriff Deputy for the City of Blue Lake. If funded, the deputy will continue to conduct day-time patrols and provide community engagement opportunities, including report taking, interviews, traffic control, Neighborhood Watch check-ins and regular engagement activities with the local school district. Currently, the City of Blue Lake contracts with the Humboldt County Sheriff for the services of two full-time deputies and has received prior year Measure Z Funding to support the services of a ½ time deputy.

Although the City of Blue Lake received funding from Measure Z in 2016 and 2017 for ½ time deputy services, due to staffing shortages the Sheriff was unable to fill the position in 2016 and was just recently able to fill the ½ time position for the 2017 funding allocation. Funding from the 2018 Measure Z allocation will provide the City of Blue Lake and the Sheriff Department with a longer term funding stream to support the deputy's services and will provide additional certainty for scheduling and budgeting needs.

Although the City of Blue Lake has two full time deputies assigned to Blue Lake, the number of deputy hours available does not provide full time coverage to the City. In order to prevent and target issues surrounding transient activities, the City has modified the full time deputies' schedules to be more responsive to higher crime hours and areas. Although this strategy has proven effective at limiting criminal activities, it has perpetuated a gap in services and a lack of enforcement during daytime hours.

Our local elementary school is located on the designated business/truck route, and as such receives a high volume of pedestrian, bicycle and vehicle intersection. During the morning hours, when children are being dropped off, or walking and biking to school, the level of traffic traveling in front of the school is at its highest levels. The traffic includes a high volume of semi-truck traffic and individuals traveling to work. Many individuals travel at rates of speed that are unsafe for the school zone knowing that the City has limited law enforcement coverage.

With the addition of the ½ deputy the City has been able to fill a service gap during daytime hours; this has proven effective at reducing traffic related issues. As part of our on-going partnership with the Sheriff, the City of Blue Lake purchased radar equipment to allow for greater enforcement of traffic laws in our community. The Sheriff provided training for the deputies and we have now seen a measurable difference in traffic related issues. The community has been highly appreciative and supportive of these efforts; the Measure Z funding is a critical component to meeting the community's safety needs.

Prior Year Results

The City of Blue Lake received Measure Z Funding in 2016 and 2017 for ½ time deputy services; due to staffing shortages the Sheriff was unable to fill the position in 2016 and was just recently able to fill the position for the 2017 allocation. The City was able to utilize the 2016 funding to support the City's law enforcement contract with the Sheriff.

Although the ½ time deputy has only been assigned to Blue Lake for a short amount of time we have seen a measurable improvement in traffic related issues and day-time transient activities. The addition of the deputy is providing coverage during hours previously unfilled and is serving to combat activity perpetuated by individuals familiar with our full-time deputies' schedules.

Traffic enforcement throughout the community has greatly increased; in the past there was little enforcement of speeding in our community due to a lack of enforcement tools and staff. By partnering with the Sheriff to provide radar enforcement training and equipment we are seeing a major reduction in speeding throughout our community.

The effects of this enforcement activity will have long term benefits to our community; increasing people's feeling of safety while walking, biking, horseback riding, etc.... will greatly enhance the walkability of our community and will increase economic investment. As we move into spring and summer, the City will see a major influx of tourists and visitors during daytime hours. Our ½ time deputy will provide day time patrol coverage to monitor activities and increase safety in the community.

Measure Z Award	Impacts/Outcomes
2016 Funding Award	Due to staffing shortages the Board of Supervisors allowed the City of Blue Lake to apply the Measure Z allocation to the City's Sheriff contract obligation.
