PROCLAMATION

OF THE BOARD OF SUPERVISORS COUNTY OF HUMBOLDT

WHEREAS, Emergency Communications Dispatchers for the Humboldt County Sheriff's Office are essential to the process of public safety delivery to the citizens and various emergency responders for law enforcement, medical aid and fire during emergency situations throughout the County; and

WHEREAS, their calm, efficient extraction of necessary information from often frightened, injured or hysterical callers, their knowledge and skill in a multitude of complex computer data base systems, and the exercise of initiative in researching and providing necessary information from many sources, in anticipation of emergency responders needs in a given emergency is invaluable—even while supporting the emotional needs of citizens under extreme circumstances; and

WHEREAS, Emergency Communications Dispatchers make a critical contribution to the safe and timely resolution of emergency situations, provide a critical link in the safety of emergency responders and the citizens of Humboldt County, and daily serve the public in countless ways, often unrecognized by the beneficiaries of their services.

NOW, THEREFORE, the Board of Supervisors of the County of Humboldt hereby commends and honors the

EMERGENCY COMMUNICATIONS DISPATCHERS

In recognition of
National Telecommunications Week
Observed April 9th through April 15th, 2017

FURTHER, the Humboldt County Board of Supervisors applauds the outstanding contributions and vital importance of the Emergency Communications Dispatchers in their critical role in public safety of our communities.
