DEH has no record of the well proposed as the source of water. Owner shall either provide evidence of permit, destroy the well, legalize the well through installation of a new sanitary surface seal, or provide compelling evidence that the well was installed prior to February, 1973.

Processing activities must be supported by an approved onsite wastewater treatment system. Seasonal/outdoor cultivation sites may be supported by portable toilets. Applicant must obtain a permit for, and install, an approved onsite wastewater treatment system to support the processing location and either install approved septic systems or provide portable toilets to cultivation areas.
