David Boston Former President of RAA Phone: _____

Joyce Jonte Teacher Arcata High School Phone: _____

PRIOR ADVISORY BOARD OR BOARD OF DIRECTORS EXPERIENCE? NO limited YES

PLEASE WRITE A BRIEF STATEMENT... **McKinleyville Municipal Advisory Committee (MMAC).**

I am a recent resident to McKinleyville, 7 years. My father and grandfather had been involved in local politics. My wife was on the school board in Sunnyvale for 12 years. It is my time to take the baton.

I have been attending the MMAC meetings for a year or so. At first I was only concerned with raising the visibility of McKinleyville and promoting incorporation. But, as I have attended more meetings, I realized that there are many opportunities where I may make a contribution. Also, I am impressed with the present members of the Committee.

Most of my organizational experience has been in the corporate world. I have had much experience in the mechanics of working in groups especially as they are required to implement changes. I would like to bring my business skills to help move McKinleyville forward as the second largest metropolitan area in Humboldt County.

I am familiar with the need for and the constraints of the Brown Act. A resume is attached.

DATE: _____ SIGNATURE: _____

I declare under penalty of perjury under the laws of the State of California that the above is true and correct

Resume

Thomas C Bover

McKinleyville, CA 95519

Tom.boyer@create2deploy.com

After 4 years in the Navy as an aviation electronic technician, with 2 tours in Vietnam, I joined Hewlett Packard Co. in Palo Alto as a production technician. Over my 35 years with HP I worked in several divisions in many different roles. These are few.

I was the materials manager for a \$50M division.

Responsibilities included:

- Scheduling production
- Procurement
- Stores
- Logistics

I was the first Information technology (IT) manager for a division.

Responsibilities included:

- Implementation of hardware, software and communication processes
- Installing business enterprise applications including training new users
- Managing a staff of IT professionals
- Budgeting and targeting processes for the department.

Corporate-wide IT application program manager

Responsibilities included:

- Selecting appropriate vendor for the application
- Training world-wide users
- Implementing rollout of the application

After leaving HP I worked as an international consultant. Customers included Coca Cola, Bang and Olufsen and Bose.

I have a bachelor's degree in business from the University of San Francisco and a master's degree in manufacturing management from Golden Gate University.

When we moved to McKinleyville, I enrolled at HSU and received a Bachelor's Degree in Studio Arts in 2017.

I joined the Redwood Arts Association. I was frustrated with their manual system for scheduling volunteers. I worked with a team from RAA to select and implement an internet-enabled scheduling system.
