RE: Service to the Southern Humboldt Community

Dear Mr. Miller,

On behalf of the Humboldt County Board of Supervisors, thank you for your service to the Southern Humboldt Community. Your dedication and participation are greatly appreciated and has not gone unnoticed. For over ten years you have worked to make this area a more beautiful place to live. You have organized volunteers, both housed and unhoused to clean up the community. You have often paid for disposal fees out of your own pocket. Your community has greatly benefited from all your efforts.

Sincerely,

Virginia Bass, Chair
Humboldt County Board of Supervisors
