STRATEGIC PLAN:

This action supports the following areas of your Board's Strategic Plan.

Area of Focus: Safe & Healthy Communities

Strategic Plan Category: 1001-Support and sustain partnerships between public safety and partner agencies to enhance public safety in our communities

DISCUSSION:

On March 8, 2022, your Board approved the partnership of the Humboldt County Sheriff's Office (HCSO) with the Center to Combat Human Trafficking (Center) and the Sheriff's Offices in Butte, Lake, Mendocino, and Trinity counties to establish the Northern California Coalition to Safeguard Communities (Coalition). The Center recognizes that law enforcement agencies in Northern California do not have adequate financial resources to independently address the breadth and depth of criminal activity by Drug Trafficking Organizations. The Center has provided support for the last 2 years and is anticipated to provide the financial and technical assistance needed to continue to support this Coalition for the next three years. For FY 2024-25, Butte County has left the Coalition and Siskiyou County has joined. The Center is also extending support to the District Attorney's Offices for Humboldt, Lake, Mendocino, and Trinity.

For FY 2024-25, HCSO budgeted for the same level of support as received in FY 2023-24 although it had requested additional resources from the Center through the Coalition. HCSO has received notice that its additional requests for support have been approved (attachment 2). In addition to the 1.0 FTE Property Evidence Technician, the Center through the Coalition is providing funding support for 1.0 FTE Program Coordinator and 1.0 FTE Sheriff's Public Information Specialist to support the Coalition program efforts. The additional support includes training and equipment for the new staff, a human trafficking pcampaign, and Cellebrite computer software.

HCSO is requesting a supplemental budget to recognize the additional financial donation and to allocate the 2.0 FTE's.
