

ADP

5000 public-sector entities

Can integrate with CalPERS

Cost effective

Can take on quarterly taxes

W2's

Position control (outsourced)

Self-integration

Mobile

Will need L&D

NEOGOV

Congruent with our current system modules

Payroll system not rolled out in Nevada County

KRONOS

Time and attendance standard

Highly configurable

Payroll Services

Could streamline operations

WORKDAY

ERP STANDARD

Business process and organizational alignment

Same version

Highly Configurable

UI

Leader in public-sector

Deployment costs very high
