**RE: Intent to Serve an Inspection Warrant**  
**Property: 240 Central Avenue, Fields Landing, CA, 95537, APN: 306-033-003**

Dear Gerald McGuire,

Code Enforcement has an open case on the above listed parcel, case number 16CEU-64, which stemmed from a Department of Environmental Health referral for junk vehicles, storage and removal of solid waste, and disposal and handling of solid waste for disposal.

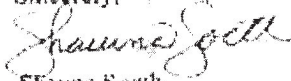

An inspection needs to be conducted to inspect the current conditions existing on the property that may constitute a public nuisance and verify any Humboldt County Code Violations.

A letter was mailed to you requesting that you consent to an inspection. The letter stated that if I didn't hear back from you by April 22, 2019, I would have to assume you refused my request for a consent inspection. Since I did not hear back from you, was unable to make contact with you at the property, and did not have any other current contact information for you, I have applied for and obtained an Inspection Warrant.

I intend to serve the Inspection Warrant on Tuesday, May 7, 2019, at about 3:00 p.m.

If you have any questions or concerns, please contact me by telephone at (707) 441-2627 or by email at [ssoeth@co.humboldt.ca.us](mailto:ssoeth@co.humboldt.ca.us).

Sincerely,

  
Shauna Soeth  
Code Enforcement Investigator
