RE: Case No. CUP16-601

The proposed facility is not within 600 feet of a school or existing bus stop. However, Northern Humboldt Union High School District has concerns about this proposed facility as cannabis is still illegal under federal law and our district receives federal funds.

Additionally, the district has concerns about a grow operation in an area where current and/or future students may live in the area or near the facility, and be required to pass by it to and from school.

Should you have any further questions, please let me know.

Sincerely,

ROGER MACDONALD
Superintendent
