**DISCUSSION:**

The Family Urgent Response System, is a coordinated statewide, regional and county-level system designed to provide collaborative and timely phone-based, in-home and in-person mobile response, stabilization and supportive services to foster children and youth during situations of instability, for purposes of preserving the relationship of the caregiver and the child or youth, providing developmentally appropriate relationship conflict management and resolution skills, stabilizing the living situation, mitigating the distress of the caregiver or child or youth, connecting the caregiver and child or youth to the existing array of local services and promoting a healthy and healing environment for children, youth and families.

The Family Urgent Response System builds upon the Continuum of Care Reform and the State of California's recent System of Care development to provide current and former foster youth and their caregivers with immediate, trauma-informed support when needed. The Family Urgent Response System is intended to have multiple positive effects on the lives of children and youth and caregivers, including, without limitation: preventing placement disruptions and preserving the relationship between the child or youth and their caregiver; preventing the need for law enforcement involvement and avoiding the criminalization of traumatized youth; preventing psychiatric hospitalization and placement into congregate care and promoting healing as a family.

Pursuant to state law, the Humboldt County DHHS - Child Welfare Services is required to provide continuous telephone-based, in-home and in-person mobile response, stabilization and supportive services to current and former foster youth as part of the statewide Family Urgent Response System.

The attached professional services agreement with Redwood Community Services, Inc. will allow for the provision of state mandated mobile response, stabilization and supportive services to current and former foster children and youth as part of the Humboldt County Family Urgent Response System for the period of July 1, 2025, through June 30, 2026.

Accordingly, DHHS - Child Welfare Services recommends that the Board approve, and authorize the Chair of the Board to execute, the attached professional services agreement with Redwood Community Services, Inc. regarding the provision of mobile response, stabilization and supportive services to current and former foster children and youth as part of the Humboldt County Family Urgent Response System for the period of July 1, 2025, through June 30, 2026. It is also recommended that the Board authorize the DHHS - Child Welfare Services Director, or a designee thereof, to execute any and all subsequent amendments to the attached professional services agreement with Redwood Community Services, Inc., after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed mobile response, stabilization and supportive services.
