Ms. Connie Beck
Humboldt County Board of Supervisors

Ms. Beck,

I am writing to inform you that the Bear River Band of the Rohnerville Rancheria is not in support of the Consulting Agreement with Red Deer Consulting for tribally-specific cultural advising. There are other possibilities that may be explored as opposed to having one organization provide the same service to multiple tribes.

As you well know, culture is important tribal communities and we hope you hear Bear River's voice on the matter.

Please contact me should you have any questions.

Best,

Edwin Smith

To the Humboldt County Board of Supervisors

My name is Garth Sundberg, Chairman of the Trinidad Rancheria. I would like to comment on item C 14 that is on your agenda Tuesday, Consulting for Tribally-Specific Cultural Advising and Mentoring Services to Children and Youth for [July 1, 2018 through June 30, 2019](#). The Trinidad Rancheria would like the County to hire a company that is able to represent ALL the Tribes and Rancherias in Humboldt County. The Current provider has not been able to effectively work with the Trinidad Rancheria. We believe a great solution to this would be to contract with Two Feathers. Two Feathers has been successfully working with all the Tribes in Humboldt County for the last 20 years, and has the capacity and skill to complete these vital tasks.

Thank you for your consideration,

Garth Sundberg
Chairman
Trinidad Rancheria
