- 10) Please write a brief statement describing why you are interested in serving on the Humboldt County Behavioral Health Board:

By accepting this position, please be aware that you are committing to attending 10 meetings per year and working on at least one subcommittee.

As a social worker in the emergency room of St. Joseph Hospital, I see where some of the gaps in service are. My role as a social worker, my education in social work, and my keen interest in social change and innovation lend value and I want to be a part of the larger discussion of addressing the behavioral health needs of our community and to see where I might be able to be of service to our community in this respect.
