FINANCIAL IMPACT:

This project is being funded through the Federal Highway Administration (FHWA) Emergency Relief (ER) Program, which will provide 88.53 percent of the funding. The Road Fund will cover the remaining 11.47 percent of project costs. Total project cost is estimated at \$317,648. Construction costs were included in the Fiscal Year 2016-17 Road Fund Budget.

This project conforms to the Board of Supervisors' Core Role of providing for and maintaining infrastructure as identified in the Board's Strategic Framework.

OTHER AGENCY INVOLVEMENT:

California Department of Transportation (Caltrans)
Federal Highway Administration (FHWA)

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to award the contract; however, staff does not recommend this alternative because this project will reconstruct a damaged portion of roadway using funds that would not otherwise be available to the County.
