Homeless Emergency Aid Program (HEAP) Grant  
Program Guidance - August 2018

The California Homeless Coordinating and Financing Council (HCFC) is pleased to announce the launch of the Homeless Emergency Aid Program (HEAP). HEAP is a \$500 million block grant program designed to provide direct assistance to cities and counties to address the homelessness crisis throughout California. HEAP is authorized by Senate Bill (SB) 850, which was signed into law by Governor Brown in June 2018. This overview provides a program timeline with key milestones and delineates when stakeholders may expect program deliverables.

claimed by all administrative entities, the BCSH shall, no later than June 15, 2019, work with the Department of Finance to identify an appropriate allocation methodology for a third round of awards or determine if any unallocated funds should revert to the General Fund.

\*\*\*The HEAP team, recognizing the urgent need in cities and counties, encourages early applications and will review applications, make award decisions, and disburse funds on a rolling basis, immediately upon receipt.

Application Process

HEAP applications will be received through an online portal, with supporting attachments submitted via email. There are separate applications for CoCs and LCs. The applicant (CoC or LC) must submit with the application proof that a resolution declaring a shelter crisis has been approved for all jurisdictions receiving funds. Applicants must conduct a local collaborative application process to determine how HEAP funds will be utilized in the CoC or LC. The submitting entity must also demonstrate coordination with stakeholders, including but not limited to, homeless service and housing providers, law enforcement, cities, and homeless advocates whose general service area falls within the CoC or LC. The CoC or LC in turn must make sub-awards to entities it determines are qualified to carry out the eligible activities and operate within areas with approved shelter crisis status.

Special Notes

Collaboration

CoCs and LCs must demonstrate that a local collaborative effort has been conducted prior to application submission. A collaborative process may include, but is not limited to, a public meeting, regional homeless taskforce meeting, letters of support with signatures of endorsement, an adopted homeless plan, and an adopted budget which includes HEAP funding. Proof of a public process may include sign-in sheets, meeting minutes, agendas, and public comment logs, among other items. It is important that a wide enough range of participants be consulted as part of this process. Participants should include representatives of local homeless service providers.
