RE: Addendum to Soils Report
Highway 36
County of Humboldt, CA
APN 208-113-008

Trinity Valley Consulting Engineers, Inc. (TVCE) previously provided a R2 Soils report in May of 2018 for existing and proposed work on the above referenced parcel. The following addendum is a clarification of a portion of the report:

Rainwater Catchment Pond: The proposed rainwater catchment pond described in the 2018 report may be constructed of any size or depth, provided that it is designed by an appropriate professional, and adheres to the geometric and construction requirements as described in the report. All other requirements and recommendations from the 2018 report shall be adhered to.

Please call (530) 629 -3000 if you have any questions.

Respectfully,

Josh McKnight, P.E.
President
