B. Retained Rights and License Rights. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:

1. Except for Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, CONTRACTOR shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. CONTRACTOR hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display or perform, distribute and dispose CONTRACTOR's Intellectual Property resulting from this Agreement, unless CONTRACTOR assigns all rights, title and interest in the Intellectual Property as set forth herein.

- E. Third-Party Intellectual Property. Except as provided herein, CONTRACTOR agrees that the performance of its obligations and duties hereunder shall not be dependent upon or include any Intellectual Property of CONTRACTOR or third-party without first: obtaining DHCS' prior written approval; and granting to or obtaining for DHCS, without additional compensation, a license, as described herein, for any of CONTRACTOR's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and DHCS determines that Intellectual Property should be included in, or is required for CONTRACTOR's performance of, this Agreement, CONTRACTOR shall obtain a license under terms acceptable to DHCS.
- F. Warranties. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, represents, warrants and agrees as follows:
1. It is free to enter into and fully perform this Agreement.
 2. It has secured, and will secure, any and all rights and licenses necessary for the performance of its duties and obligations hereunder.
 3. Neither CONTRACTOR's performance of this Agreement, nor the exercise by either party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display or performance, distribution and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, will infringe upon or violate any Intellectual Property right, non-disclosure obligation or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States or any foreign country. There is currently no actual or threatened claim by any such third-party based on an alleged violation of any such right by CONTRACTOR.
 4. CONTRACTOR's performance of its duties and obligations hereunder shall not violate the privacy rights of, or constitute a libel or slander against, any person or entity.
 5. It has secured, and will secure, any and all rights and licenses necessary for the use of Intellectual Property, including, without limitation, consents, waivers or releases from all authors of music or performances, talent, including radio, television and motion picture talent, and owners of any interest in sites, property or props that may be used or shown.
 6. It has not granted, and shall not grant to, any person or entity any right that might derogate, encumber or interfere with any of the rights granted to DHCS hereunder.
 7. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 8. It has no knowledge of any outstanding claims, licenses or other charges, liens or encumbrances of any kind or nature that could affect in any way CONTRACTOR's performance of its duties and obligations hereunder.

9. DHCS makes no warranty that the Intellectual Property resulting from this Agreement will not infringe upon any existing or subsequent patent, trademark, copyright or the like.

G. **Intellectual Property Indemnity.** By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:

1. CONTRACTOR shall indemnify, defend and hold harmless DHCS, and its licensees, assignees, officers, directors, employees, agents, representatives, successors and users of its products (“Indemnitees”), from and against all claims, actions, damages, losses or liabilities, whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto, including, without limitation, all legal expenses, court costs and attorney’s fees incurred in investigating, preparing, serving as a witness in or defending against, any such claim, action or proceeding, whether commenced or threatened, to which any of the Indemnitees may be subject, regardless of whether or not CONTRACTOR is a party to any pending or threatened litigation, which arise out of or are related to: the incorrectness or breach of any of the representations, warranties, covenants or agreements of CONTRACTOR pertaining to Intellectual Property; or any Intellectual Property infringement, or other type of actual or alleged infringement claim, arising out of DHCS’ use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance or display, license and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement. CONTRACTOR’s indemnity obligations set forth herein shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in, at CONTRACTOR’s expense, any such infringement action brought against DHCS.
2. Should any Intellectual Property licensed by CONTRACTOR to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, CONTRACTOR shall exercise its authority reasonably and in good faith to preserve DHCS’ right to use the licensed Intellectual Property in accordance with the terms and conditions of this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel, at CONTRACTOR’s expense, in any such claim or action. In the defense or settlement of the claim, CONTRACTOR may obtain the right for DHCS to continue using the licensed Intellectual Property; or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other available rights and remedies.
3. CONTRACTOR agrees that damages alone would be inadequate to compensate DHCS for CONTRACTOR’s breach of the Intellectual Property provisions set forth herein. CONTRACTOR acknowledges DHCS would suffer irreparable harm in the event of such breach, and agrees DHCS shall be entitled to obtain equitable relief, including, without limitation, an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

H. **Federal Funding.** In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title and ownership, which results directly or indirectly from this Agreement; except as provided in 37 C.F.R. Section

By executing this Agreement, CONTRACTOR certifies that it is not a Nuclear Weapons Contractor, in that CONTRACTOR is not knowingly or intentionally engaged in the research, development, production or testing of nuclear warheads, nuclear weapons systems or nuclear weapons components as defined by the Nuclear-Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR subsequently becomes a Nuclear Weapons Contractor.

28. INDEMNIFICATION:

- A. Hold Harmless, Defense and Indemnification. CONTRACTOR shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages and liabilities of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, CONTRACTOR's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.

- B. Effect of Insurance. Acceptance of the insurance required by this Agreement shall not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to CONTRACTOR's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

29. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance, or other proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

- A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations set forth herein, CONTRACTOR shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the term of this Agreement, and any extensions thereof, the following policies of insurance, placed with insurers authorized to do business in California with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR or its agents, officers, directors, employees or subcontractors:

1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one (1) incident, including, without limitation, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
2. As stated in Exhibit A – Scope of Services, CONTRACTOR will not drive an automobile in the performance of the services provided pursuant to the terms and conditions of this Agreement. If CONTRACTOR's responsibilities are changed in such a way that driving will be required during the performance of the services set forth herein, CONTRACTOR shall take out and maintain Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles, and be at least as broad as Insurance Service Offices Form Code 1 (any auto).
3. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents, officers, officials, employees and volunteers.
4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000.00) for each occurrence (Four Million Dollars (\$4,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CONTRACTOR may be exposed to liability. CONTRACTOR shall require that such coverage be incorporated into its professional services agreements with any other entities.

- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:

1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by, or on behalf of, CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY or its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to property damage caused by explosion or collapse of structures or underground damage, commonly referred to as "XCU Hazards."
 - c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
 2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice requirements set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the provisions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
 6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to any other available remedies, take out the necessary insurance and deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.
- C. Insurance Notices. Any and all insurance notices required to be given pursuant to the terms of this Agreement shall be sent to the addresses set forth below in accordance with the notice requirements contained herein.
