THIS CONTRACT is dated this 21st day of May, by and between The Marshall Ranch, LLC, referred to as OWNERS and the COUNTY OF HUMBOLDT, a political subdivision of the State of California, hereinafter referred to as COUNTY.

WITNESSETH:

WHEREAS, said land is located in a Class B Agricultural Preserve heretofore established by COUNTY by Resolution No. 24-59; and

WHEREAS, OWNER and COUNTY by signing this Land Conservation Contract mutually agree to enter into this new contract pursuant to Section 51254 of the California Government Code and the County's Williamson Act Guidelines and to establish binding restrictions which will limit the use of said land to agricultural and incidental compatible uses.

NOW, THEREFORE, the parties agree as follows:

Section 1. This contract is made and entered into pursuant to the California Land Conservation Act of 1965 (Chapter 7 of Part 1 of Division 1 of Title 5 of the California Government Code, commencing with Section 51200, hereafter referred to as the "Act"), and pursuant to the

Section 2. The land to which all provisions of this contract shall apply is described in Exhibit "A" attached hereto. It is not intended to include in this contract any land zoned Timberland Production (TPZ) pursuant to Government Code Section 51100, et seq.

Section 3. Section 4. This contract shall be effective on the date first written above, hereinafter the anniversary date, and shall remain in effect for an initial term of ten (10) years. On the first anniversary date and on each succeeding anniversary date, one year shall automatically be added to the unexpired term unless notice of non-renewal is given as provided by law.

Section 5. This contract shall run with the land described herein and shall be binding upon, and inure to the benefit of, all successors in interest of the OWNER. Neither the owner nor any successor in interest shall divide the land described herein, except that the County may approve a division of such land subject to the terms and conditions of the Act or local resolution if the proposed division meets all of the following conditions:

(a) Each preserve resulting from the division shall meet the minimum size requirements of the Act and local resolutions which are applicable to the land which is the subject of this contract, as provided in section 6 hereof; and

(b) Each parcel which is the subject of, or which results from the division shall meet the minimum size requirements of the Act and local resolutions which are applicable to the land which is the subject of this contract; and

(c) All successors in interest to owner shall enter into contracts at the time they assume title to any or all of the land described herein enforceably restricting said land pursuant to the statutory provisions referred to in Section 1 above.
