**Subject:** Proposed expansion of Ocean West Manufactured Home Park

Hi:

I am new to Ocean West and would like to see the plans for this project. Is there a place on the web I can see them?

Comment:

I am concerned about the use of permeable pavement for all roadways and driveways. What is that like? What does it look like? How is it maintained? Is there a place on the web I can get more info on this? If it is anything like what I have seen already, I don't think many of us old folks are going to want that.

Thank you,  
Judy
