Hello All,

It has come to my attention that another cannabis operation has been proposed for the Kneeland area. The APNs associated are **314-156-009 and 314-321-031** (owner is Chad Hardesty). I do not have a copy of the Notice served by the county regarding this project, so I do not have a project ID to reference.

Please, at this time, forward to me and Allison Jackson **all related documentation and materials associated with this project**. I am unable to look it up in Accela. I appreciate your efforts.

Sincerely,

Mallory Cunningham
