To Whom This May Concern:

As a former neighbor of the Humboldt County Fairgrounds and current resident of Ferndale I support the request to conduct events involving motorsports and concerts at the Fairgrounds. There is a longstanding ability and desire to cooperate with the Fair by neighbors. Particularly at this time there is a need to support their efforts to stay ahead of economic difficulties and declining state support. It is my observation that those opposed to activities purchased or moved to their homes fully knowing their proximity to the fairgrounds and that from time there would be events that may be a temporary inconvenience. They need to pull up their pants, tie their shoes and deal with it!

Sincerely,
Skip Jorgensen
