Inc. (Torrance, California) to provide assessment, individual therapy, family therapy, case management, crisis intervention, Therapeutic Behavioral Services (TBS), medication support, Day Treatment Intensive Full Day, and Psychiatric Health Facility (PHF) – Acute Psychiatric Inpatient Hospital Services. County authorization is required for PHF services, TBS, and Day Treatment (Attachment1).

A child client at Star View Adolescent Center has required more intensive services than anticipated. Additionally, the child client is anticipated to stay in the facility past the first of the fiscal year. To prevent a disruptive placement change and a gap in services, this Amendment will extend the term of the Agreement through September 30, 2015 and increase the maximum payment for fiscal years 2014-15 and 2015-16.

Therefore, DHHS recommends that the Board approves and authorizes Chairperson to execute three (3) originals of the First Amendment to the August 12, 2014 Agreement with Star View Adolescent Center for the provision of Mental Health Services to extend the term of the Agreement through September 30, 2015 and increase the contract maximum for fiscal year 2014-15 to \$136,000.15 and fiscal year 2015-16 to \$48,321.00.

FINANCIAL IMPACT:

The Agreement with Star View Adolescent Center specifies a contract maximum of \$106,403.15 for FY 2014-15. This Amendment, which will extend the Agreement through September 30, 2015, will increase the contract maximum for fiscal year 2014-15 to \$136,000.15 and specifies a contract maximum of \$48,321.00 for fiscal year 2015-16. Total cost of this contract for July 1, 2014 through September 30, 2015 will be \$184,321.15.

Expenditure appropriation related to this Agreement has been included in the approved FY 2013-14 and FY 2014-15 budgets and in proposed budget for FY 2015-16 for DHHS Mental Health Administration budget unit 1170-424. Revenue for this Agreement is available through Medi-Cal Federal Financial Participation and State Realignment for Mental Health Managed Care and Early Periodic Screening Diagnosis and Treatment (EPSDT). There is no impact on the County General fund.

If federal, state or local funding is reduced or eliminated, the maximum value of this Agreement may be reduced or eliminated.

The services provided in this Amendment support the Board's Strategic Framework by ensuring opportunities for improved safety and health, protecting vulnerable populations and providing appropriate levels of services.

OTHER AGENCY INVOLVEMENT:

None.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to approve the First Amendment to Agreement with Star View Adolescent Center; however, this alternative is not recommended. The provision of Covered Mental Health Services to all Medi-Cal beneficiaries meeting the medically necessary criteria is, and will remain, the responsibility of DHHS. The inability to contract with and subsequently maintain a Provider Network would result in the need of DHHS to provide these services directly. This is not a realistic alternative however, as the current Short-Doyle Medi-Cal population is already utilizing the DHHS' maximum clinical, clerical and physical resources.

ATTACHMENTS:

- Attachment 1: August 12, 2014 Agreement with Star View Adolescent Center for the provision of mental health services for the period of March 31, 2014 to June 30, 2015

- 6.2.5 PROVIDER shall comply with the above requirements and be aware of the penalties for violations of fraud and for obstruction of investigation as set forth in Public Contract Code section 10115.10, if applicable.
- 6.2.6 PROVIDER may, at its discretion, following receipt of final payment under this Agreement, reduce its accounts, books and records related to this Agreement to microfilm, computer disk, CD ROM, DVD, or other data storage medium.
