RE: SUPPORT FOR THE REZONING OF THE SOUTHERN HUMBOLDT COMMUNITY PARK

Dear Supervisors & Commissioners,

We are writing to request that you vote in support of the change in zoning for the Southern Humboldt Community Park.

The Southern Humboldt Community Park was created in the year 2000 when local residents purchased 431-acres of land to create a park. The land is a beautiful mix of forest, meadows, and farmland, located one-mile from Garberville, with the Wild and Scenic South Fork Eel River flowing within its boundaries. The Park has the potential to be a crown jewel of the County.

The Southern Humboldt Community Park property requires a change of landuse designation to Public Recreation on 400-acres and a rezoning from Agriculture Exclusive to Public Facility on approximately 90-acres.

This rezoning is necessary to fulfill the community's intended uses for this property. It will provide us with trails, a playground, a place for gathering, events, and much needed sports facilities.

The Southern Humboldt community is proud that we have created a park that can support itself independently. We request that you allow our community to use this property for public benefit.

Please support the change in zoning for the Southern Humboldt Community Park.

Sincerely,

Penelope H. Cocking
