BETWEEN
COUNTY OF HUMBOLDT
AND
CITY OF RIO DELL
FOR FISCAL YEAR 2016-2017**

This Memorandum of Understanding ("MOU"), entered into this 4th day of October, 2016, by and between the County of Humboldt, a political subdivision of the State of California, hereinafter referred to as "COUNTY," and the City of Rio Dell, a municipal corporation, hereinafter referred to as "CITY," is made upon the following considerations:

WHEREAS, California Government Code Section 26227 provides that the board of supervisors of any county may appropriate and expend money from the county's general fund to finance programs deemed to be necessary to meet the social needs of the population of the county, including, but not limited to, the areas of health, law enforcement and public safety; and

WHEREAS, COUNTY placed a one-half (.5) cent local sales and use tax measure, known as "Measure Z," on the November 2014 ballot to maintain and improve essential services; and

WHEREAS, Measure Z was passed by the voters of Humboldt County on November 4, 2014 and became operative on April 1, 2015; and

WHEREAS, due to the passage of Measure Z, COUNTY has additional funding to maintain and improve essential services, including, without limitation: law enforcement services; emergency response services; illegal marijuana cultivation enforcement and prevention; child abuse enforcement and prevention; crime investigation and prosecution; substance abuse rehabilitation; mental health treatment; rural fire protection, road repairs; and other necessary services relating to the areas of health, law enforcement and public safety; and

WHEREAS, COUNTY created a nine (9) member Citizens Advisory Committee to review Measure Z funding applications and make recommendations to the Humboldt County Board of Supervisors; and

WHEREAS, on February 19, 2016, CITY submitted a Measure Z application to the Citizens' Advisory Committee requesting an allocation in the amount of Thirty Three Thousand Six Hundred Forty-Nine Dollars (\$33,649.00) for the purpose of assigning an additional clerical position to the Rio Dell Police Department to support various types of law enforcement, nuisance abatement and code enforcement activities, which is attached hereto as Exhibit A – Application for Measure Z Funding – and incorporated herein by reference; and

WHEREAS, on June 28, 2016, the Humboldt County Board of Supervisors approved the Measure Z application submitted by CITY in the amount of Thirty Three Thousand Six Hundred Forty-Nine Dollars (\$33,649.00) through June 30, 2017; and

WHEREAS, COUNTY and CITY desire to enter into an agreement which sets forth each party's rights and responsibilities regarding the expenditure of Measure Z funds allocated to CITY.

NOW THEREFORE, in consideration of the foregoing, and of the mutual promises contained herein, the parties hereto agree as follows:

1. COUNTY OBLIGATIONS:

COUNTY will provide CITY an amount not to exceed Thirty Three Thousand Six Hundred Forty-Nine Dollars (\$33,649.00) for the purpose of assigning an additional clerical position to the Rio Dell Police Department to support various types of law enforcement, nuisance abatement and code enforcement activities.

2. CITY OBLIGATIONS:

- A. General Requirements. CITY will assign an additional clerical support position to the Rio Dell police department to aide various types of law enforcement, nuisance abatement and code enforcement activities. The newly assigned clerical position shall include approximately twenty-four (24) hours of additional clerical support services per week that may be divided amongst different CITY personnel and job classifications.

- B. Without Cause. COUNTY may terminate this MOU without cause upon thirty (30) days advance written notice to CITY. Such notice shall state the effective date of the termination.
- C. Insufficient Funding. COUNTY’s obligations under this MOU are contingent upon the availability of local funding resulting from the sales and use tax established by Measure Z. In the event such funding is reduced or eliminated, COUNTY shall, at its sole discretion, determine whether this MOU shall be terminated. COUNTY shall provide CITY seven (7) days advance written notice of its intent to terminate this MOU due to insufficient funding.
- D. Compensation Upon Termination. In the event this MOU is terminated, CITY shall be entitled to compensation for uncompensated clerical support services provided hereunder through and including the effective date of such termination. However, this provision shall not limit or reduce any damages owed to COUNTY due to a breach of this MOU by CITY.

- A. Maximum Amount Payable. The maximum amount payable by COUNTY for the clerical support services rendered, and costs and expenses incurred, pursuant to the terms and conditions of this MOU is Thirty Three Thousand Six Hundred and Forty-Nine Dollars (\$33,649.00). CITY agrees to provide the clerical support position as set forth in this MOU for an amount not to exceed such maximum dollar amount. - A. Disclosure of Confidential Information. In the performance of this MOU, CITY may receive information that is confidential under local, state or federal law. CITY hereby agrees to protect

all confidential information in conformance with any and all applicable local, state and federal laws, regulations, policies, procedures and standards, including, but not limited to: California Welfare and Institutions Code Sections 827, 5328, 10850 and 14100.2; California Health and Safety Code Sections 1280.15 and 1280.18; the California Information Practices Act of 1977; the California Confidentiality of Medical Information Act ("CMIA"); the United States Health Information Technology for Economic and Clinical Health Act ("HITECH Act"); the United States Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any current and future implementing regulations promulgated thereunder, including, without limitation, the Federal Privacy Regulations contained in Title 45 of the Code of Federal Regulations ("C.F.R.") Parts 160 and 164, the Federal Security Standards contained in 45 C.F.R. Parts 160, 162 and 164 and the Federal Standards for Electronic Transactions contained in 45 C.F.R. Parts 160 and 162, all as may be amended from time to time.

- B. Continuing Compliance with Confidentiality Laws. The parties acknowledge that local, state and federal laws, regulations, and standards pertaining to confidentiality, electronic data security and privacy are rapidly evolving and that amendment of this MOU may be required to ensure compliance with such developments. Each party agrees to promptly enter into negotiations concerning an amendment to this MOU embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the CMIA and any other applicable local, state and federal laws, regulations or standards.

11. NON-DISCRIMINATION COMPLIANCE:

- A. Professional Services and Employment. In connection with the execution of this MOU, CITY, and its subcontractors, shall not unlawfully discriminate in the provision of professional services or against any employee or applicant for employment because of race, religion or religious creed, color, age (over forty (40) years of age), sex (including gender identity and expression, pregnancy, childbirth and related medical conditions), sexual orientation (including heterosexuality, homosexuality and bisexuality), national origin, ancestry, marital status, medical condition (including cancer and genetic characteristics), mental or physical disability (including HIV status and AIDS), political affiliation, military service, denial of family care leave or any other classifications protected by local, state or federal laws or regulations. Nothing herein shall be construed to require employment of unqualified persons.

CITY certifies by its signature below that it is not a Nuclear Weapons Contractor, in that CITY is not knowingly or intentionally engaged in the research, development, production or testing of nuclear warheads, nuclear weapons systems or nuclear weapons components as defined by the Nuclear Free Humboldt County Ordinance. CITY agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this MOU if it determines that the foregoing certification is false or if CITY subsequently becomes a Nuclear Weapons Contractor.

13. INDEMNIFICATION:

A. Hold Harmless, Defense and Indemnification. CITY shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, liabilities, expenses and costs of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, CITY's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.

B. Effect of Insurance. Acceptance of the insurance required by this MOU, shall not relieve CITY from liability under this provision. This provision shall apply to all claims for damages related to the clerical support services performed by CITY pursuant to the terms and conditions of this MOU regardless if any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided by CITY hereunder.

14. INSURANCE REQUIREMENTS:

This MOU shall not be executed by COUNTY, and CITY is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

A. General Insurance Requirements. Without limiting CITY's indemnification obligations provided for herein, CITY shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the entire period of this MOU, and any extended term thereof, the following policies of insurance placed with insurers authorized to do business in the State of California and with a current A.M. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.

////

2. Automobile/Motor Liability Insurance with a limit of liability of no less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Office Form Code 1 (any auto).
 3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY, its agents, officers, officials, employees and volunteers.
 4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000.00) for each occurrence (Four Million Dollars (\$4,000,000.00) general aggregate). CITY shall require that such coverage be incorporated into its professional services agreements with any other entities.
- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of CITY. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:

 2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice provisions set forth herein. It is further understood that CITY shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.

4. For claims related to this MOU, CITY's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CITY's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the provisions of this MOU, including breach of warranties, shall not affect coverage provided to COUNTY, its agents, officers, officials, employees and volunteers.
 6. CITY shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this MOU. The endorsements shall be on forms approved by the Humboldt County Risk Manager or County Counsel. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. COUNTY is also hereby authorized with the discretion to deduct the cost of said insurance from the monies owed to CITY under this MOU.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CITY shall be required to purchase additional coverage to meet the above-referenced aggregate limits.

In no event shall any payment by COUNTY constitute a waiver of any breach of this MOU or any default which may then exist on the part of CITY. Nor shall such payment impair or prejudice any remedy available to COUNTY with respect to any breach or default. COUNTY shall have the right to demand repayment of, and CITY shall promptly refund, any funds disbursed to CITY, which in the judgment of COUNTY were not expended in accordance with the terms of this MOU.

23. STANDARD OF PRACTICE:

APPLICATION FOR FUNDING

Contact Person: Kyle Knopp

Title: City Manager

1. AMOUNT OF MEASURE Z FUNDING REQUESTED FOR FY 2016-2017: \$33,649

2. ENTITY TYPE – Please check appropriate box.

- a. Humboldt County Department
- b. Contract Service Provider to Humboldt County
- c. Local Government Entity
- d. Private Service Provider
- e. Non-Profit Service Provider
- f. Other

3. Please provide a brief description of the proposal for which you are seeking funding.

The City of Rio Dell Proposes the continued funding of a part-time clerical support position in the Police Department for 28 hours a week to provide support for law enforcement services. This Item was funded by Measure Z during the 2015-16 grant cycle. This grant allows our officers to spend more time responding to calls for service and be on active patrol, and is the only source of funding for clerical support. The position also allows for police department headquarters to remain open when officers are out on patrol. Currently, the Rio Dell Police Department is staffed by five (5) full-time sworn officers and one (1) part-time clerical assistant (funded through Measure Z). The position also enables a consistent flow of paperwork on nuisance and code enforcement issues, helping to clean up the community and prevent neighborly discord from becoming a larger issue for sworn law enforcement.

4. Measure Z funding is scheduled to "sunset" in 2020. How are you developing a plan for sustainability, including diversification of funding sources, in order for your proposal to carry on without reliance on future Measure Z funds?

The City of Rio Dell is looking to expand and diversify its tax base over the next five years. Central to this objective is the City's work to restructure its code enforcement program that is making major headway in cleaning up the town and addressing long-standing blight that is an obstacle to development. Work is underway to develop and emphasize economic development activities including micro-enterprise assistance and infrastructure related activities that enhance development potential that benefit both the City and the region as a whole. Economic development within the City is a crucial part of working towards sustainability, and public safety is the cornerstone to that development.

5. If this request is for the continuation, or expansion, of an existing program/service, what is the current source of funding for that program/service?

Clerical support for the Police Department for fiscal year 2015-2016 has been provided through Measure Z funding. Without Measure Z the Police Department wouldn't have the supportive assistance necessary to provide the enhanced customer and administrative services that are currently offered.

6. If you are awarded Measure Z funds, how will you use them to leverage additional grants, contributions, or community support?

Community support comes from the community's reliance on our Police Department to quickly respond to public safety calls and concerns. The Police Records Specialist I is available to immediately respond and refer community members and victims of crime to services and can make direct contact with sworn personnel. Currently, when officers are not present at the Police Department headquarters, victims of crime must use a call box to summon assistance. Measure Z funds would help mitigate that experience.

7. Will this proposal require new or expanded activity on the part of another entity to be fully functional and effective? If so, please describe.

No, this proposal does not require any activity on the part of another entity. It is believed the additional support to our officers will ultimately lower levels of crime in the City and subsequently lower the level of activity required of allied agencies and partners.

ATTACHMENTS – Please include the following with your application

Dear Members of the Advisory Committee,

The City of Rio Dell respectfully submits this proposal narrative for your consideration for Measure Z funding. The two (2) proposals are connected to two very important objectives for the City of Rio Dell: Enhanced public safety services and economic development. We believe that public safety and economic development go hand in hand in building and maintaining a safe, healthy, and an economically sound community.

Public safety has already been greatly enhanced with the addition of an administrative support staff person in the Police Department through Measure Z funding for FY 2015-2016. Moreover, a Community Services Officer is a complementary addition to our Police Department because the goal of making our streets safer becomes more realistic when sworn officers are relieved of the duties related to animal control, code enforcement, and administrative-type tasks. If funding is granted for these two positions officers will be able to focus on the duties that their positions are intended: public safety and lessening the deleterious effects of crime. Furthermore, the addition of a CSO provides a strong resource in working towards the City's long-term goal of becoming an economically sustainable through continued perseverance of our vision of building a safe, healthy, and economically viable City.

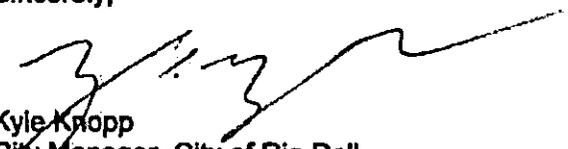

The City needs your help in solidifying the vision of creating a safer community and building economic sustainability. These objectives are the sole purpose for the City's proposals that are as follows:

1. \$33,649 for a part-time Police Records Specialist I that will free up the valuable time of the City's five sworn officers
2. \$73,325 for a full-time, benefitted Community Services Officer that will free up time that sworn officers spend on animal control, code enforcement activities, and administrative-type tasks.

We believe these two requests (\$106,974 combined) to be measured and responsible. These two positions to our Police Department is in direct line with the overall goals that Measure Z was built: "To provide the funds necessary for expanding patrols, maintaining emergency response times, and making sure calls about violent or property crimes are responded to promptly." Additionally, the proposals have an added value of economic sustainability that can serve as a means to continue to support these two positions when Measure Z sunsets in 2020.

We appreciate your support on these requests, and believe them to be in line with the vision being set for Humboldt County through the use of Measure Z funds.

Sincerely,

Kyle Kropp
City Manager, City of Rio Dell

TO: Humboldt County Citizens' Advisory Committee on Measure Z Expenditures
FROM: Kyle Knopp, City Manager 
SUBJECT: Prior Year Results: Measure Z and the City of Rio Dell's part-time clerical support position in the Police Department.

Available data covers the period from July 1, 2015 to December 31, 2015.

In terms of code enforcement, Measure Z funds logged 51 complaints, resulting in 21 site visits, 28 letters issued, and 35 complaints brought to resolution. Additionally, as of December 31, 2015 another 16 cases were in progress towards resolution. None of this would have happened without Measure Z.

In terms of clerical support provided to the police department, Measure Z funded over 576 hours of staff time (between July 1, 2015 and December 31, 2015) to keep the Police Department doors open, respond to business calls, and process records and miscellaneous paperwork items. These services freed up valuable Law Enforcement Officer time to deal with higher level criminal matters. Without Measure Z funding, the Police Department would have no clerical support.
