DISCUSSION:

DHHS-MH provides services to those with serious mental illnesses at County Mental Health Facilities including Sempervirens, Crisis Stabilization Unit (CSU), Medication Support Clinics, Juvenile Hall, Humboldt County Correctional Facility, and County Probation North Coast Regional Facility.

On April 7, 2015 (item C-13), your Board granted the authority to the MH Director to sign substantially similar agreements for registered nurses as supplemental nursing staff with other traveling nurse contractors on a flow basis to fulfill DHHS-MH temporary staffing requirements as needed. The MH Director and DHHS Administration decided to bring this amendment before the Board in the interest of transparency, showing the difficulties in hiring appropriately licensed staff and the effects on the Mental Health Budget.

Despite the ongoing recruitment efforts of DHHS and the County Human Resources Department, DHHS-MH continues to experience significant difficulties recruiting and retaining qualified psychiatric registered nurses for these mandated and entitlement services.

This shortage in specialty behavioral health care providers is not endemic to Humboldt County nor limited to the northern region of the state. The U.S. Department of Health & Human Services, Health Resources and Services Administration (HRSA) defines Humboldt County as a federally designated Mental Health Care Health Professional Shortage Area (HPSA). Mental Health HPSAs are based on a psychiatrist to population ratio of 1:30,000.

DHHS-MH contracts with seven supplemental staffing firms. Currently four provide staff for the Psychiatric Health Facility (Sempervirens) and the CSU. When staffing needs arise, DHHS-MH staff contacts all the firms with which DHHS-MH contracts to see which have available staff qualified for Sempervirens and the CSU. There is no way to predict which supplemental nursing firm will have candidates to submit for a placement.

Traditionally DHHS-MH travel nurse agreements have not specified a maximum payment amount (cap). However, in an effort to provide transparency on spending, a cap was added to the current agreement with trustaff Travel Nurses, LLC. The cap amount was based on prior years' usage of travel nurses and has proven to be inadequate due to continuing staffing shortfalls, therefore the proposed amendment will increase the cap from \$150,000.00 to \$570,000.00.

Therefore, DHHS-MH recommends the Board approve the first amendment to the agreement with trustaff Travel Nurses, LLC for fiscal years 2015-16 through 2017-18 for temporary supplemental nursing staff.

FINANCIAL IMPACT:

Supplemental nursing staff will be billed to DHHS-MH at the rate of Seventy Eight Dollars (\$78.00) per hour. Anticipated expenditure for FY 2015-16 through FY 2017-18 is up to Five Hundred Seventy Thousand Dollars (\$570,000.00), with expenditures offset by salary savings due to staff vacancies.

An appropriation transfer request will be submitted to transfer balances from salary and benefit line items to insure sufficient services and supplies expenditure appropriation in the approved DHHS-MH Administration budget unit 1170-424 for FY 2016-17 and an appropriation will be included in the FY 2017-18 proposed budget. Revenue to support these expenditures is available through Medicare and Medical federal financial participation, Mental Health Services Act, Realignment and private insurance.

Approving this first amendment to the agreement and approving and authorizing DHHS-MH to execute future substantially similar amendments for trustaff Travel Nurses, LLC supports the Board's Strategic Framework by protecting vulnerable populations and creating opportunities for improved health and safety.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could choose to not approve the recommendations; however doing so may result in delays in patients receiving professional psychiatric services.

The screening should be commensurate with the risk and magnitude of harm the employee could cause, with more thorough screening being done for those employees who are authorized to bypass significant technical and operational security controls. CONTRACTOR shall retain each workforce member's background check documentation for a period of three (3) years following expiration or termination of this Agreement.

All workstations and laptops that store PHI, PI or PII either directly or temporarily must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as Advanced Encryption Standard ("AES"). The encryption solution must be full disk unless approved by the DHCS – Information Security Office.
 - b. Server Security. Servers containing unencrypted PHI, PI or PII must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.
 - c. Minimum Necessary. Only the minimum necessary amount of PHI, PI or PII required to perform necessary business functions may be copied, downloaded or exported.
 - d. Removable Media Devices. All electronic files that contain PHI, PI or PII data must be encrypted when stored on any removable media or portable device, including, without limitation, USB thumb drives, floppies, CD/DVD, Blackberry, backup tapes, etc. Encryption must be a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES.

- e. Antivirus Software. All workstations, laptops and other systems that process and/or store PHI, PI or PII must install and actively use a comprehensive anti-virus software solution with automatic updates scheduled at least daily.
- f. Patch Management. All workstations, laptops and other systems that process and/or store PHI, PI or PII must have critical security patches applied, with system reboot if necessary. There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within thirty (30) days of vendor release. Applications and systems that cannot be patched within the required time frame due to significant operational reasons must have compensatory controls implemented to minimize risk until the patches can be installed. Applications and systems that cannot be patched must have compensatory controls implemented to minimize risk, where possible.
- g. User Identification and Password Controls. All users must be issued a unique user name for accessing PHI, PI or PII. Usernames must be promptly disabled, deleted or the password changed upon the transfer or termination of an employee with knowledge of the password, at maximum within twenty four (24) hours. Passwords are not to be shared. Passwords must be at least eight (8) characters and must be a non-dictionary word. Passwords must not be stored in readable format on the computer. Passwords must be changed at least every ninety (90) days, preferably every sixty (60) days. Passwords must be changed if revealed or compromised. Passwords must be composed of characters from at least three of the following four groups from the standard keyboard:
- Upper case letters (A-Z);
 - Lower case letters (a-z);
 - Arabic numerals (0-9);
 - Non-alphanumeric characters (punctuation symbols).
- h. Data Destruction. When no longer needed, all PHI, PI or PII must be wiped using the Gutmann or United States Department of Defense ("DOD") 5220.22-M (7 Pass) standard or by degaussing. Media may also be physically destroyed in accordance with NIST Special Publication 800-88. Other methods require prior written permission of the DHCS – Information Security Office.
- i. System Timeout. The system providing access to PHI, PI or PII must provide an automatic timeout, requiring re-authentication of the user session after no more than twenty (20) minutes of inactivity.
- j. Warning Banners. All systems providing access to PHI, PI or PII must display a warning banner stating that data is confidential, systems are logged and system use is for business purposes only by authorized users. Users must be directed to log off the system if they do not agree with these requirements.
- k. System Logging. The system must maintain an automated audit trail which can identify the user or system process which alters PHI, PI or PII. The audit trail must be date and time stamped, must log both successful and failed accesses, must be read only and must be restricted to authorized users. If PHI, PI or PII is stored in a database, database logging functionality must be enabled. Audit trail data must be archived for at least three (3) years after occurrence.

- l. Access Controls. The system providing access to PHI, PI or PII must use role based access controls for all user authentications, enforcing the principle of least privilege.
 - m. Transmission Encryption. All data transmissions of PHI, PI or PII outside the secure internal network must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES. Encryption can be end to end at the network level, or the data files containing PHI can be encrypted. This requirement pertains to any type of PHI, PI or PII in motion such as website access, file transfer and E-Mail.
 - n. Intrusion Detection. All systems involved in accessing, holding, transporting and protecting PHI, PI or PII that are accessible via the internet must be protected by a comprehensive intrusion detection and prevention solution.

All systems processing and/or storing PHI, PI or PII must have at least an annual system risk assessment/security review which provides assurance that administrative, physical and technical controls are functioning effectively and providing adequate levels of protection. Reviews should include vulnerability scanning tools.
 - b. Log Reviews. All systems processing and/or storing PHI, PI or PII must have a routine procedure in place to review system logs for unauthorized access.
 - c. Change Control. All systems processing and/or storing PHI, PI or PII must have a documented change control procedure that ensures separation of duties and protects the confidentiality, integrity and availability of data.
- 4. Business Continuity and Disaster Recovery Controls. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:
 - a. Emergency Mode Operation Plan. CONTRACTOR must establish a documented plan to enable continuation of critical business processes and protection of the security of PHI, PI or PII held in an electronic format in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this Agreement for more than twenty four (24) hours.
 - b. Data Backup Plan. CONTRACTOR must have established documented procedures to backup PHI to maintain retrievable exact copies of PHI, PI or PII. The plan must include a regular schedule for making backups, storing backups offsite, an inventory of backup media and an estimate of the amount of time needed to restore PHI, PI or PII should it be lost. At a minimum, the schedule must be a weekly full backup and monthly offsite storage of data.
- 5. Paper Document Controls. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:

1. It is free to enter into and fully perform this Agreement.
2. It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
3. Neither CONTRACTOR's performance of this Agreement, nor the exercise by either party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States or any foreign country. There is currently no actual or threatened claim by any such third-party based on an alleged violation of any such right by CONTRACTOR.
4. Neither CONTRACTOR's performance of this Agreement, nor any part of its performance thereof, will violate the right of privacy of, or constitute a libel or slander against, any person or entity.
5. It has secured and will secure all rights and licenses necessary for Intellectual Property, including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
6. It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber or interfere with any of the rights granted to DHCS in this Agreement.
7. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
8. It has no knowledge of any outstanding claims, licenses or other charges, liens or encumbrances of any kind or nature whatsoever that could affect in any way CONTRACTOR's performance of this Agreement.
9. DHCS makes no warranty that the Intellectual Property resulting from this Agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.

G. Intellectual Property Indemnity. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:

1. CONTRACTOR shall indemnify, defend and hold harmless DHCS, its licensees, assignees, officers, directors, employees, agents, representatives, successors and users of its products ("Indemnitees"), from and against all claims, actions, damages, losses or liabilities, or actions or proceedings with respect to any thereof, whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto, including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action or proceeding, whether commenced or threatened, to which any of the Indemnitees may be subject, whether or not CONTRACTOR is a party to any pending or threatened litigation, which arise out of or are related to: (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of CONTRACTOR pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by CONTRACTOR or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at CONTRACTOR's expense, any such infringement action brought against DHCS.
 2. Should any Intellectual Property licensed by CONTRACTOR to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, CONTRACTOR will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel, at CONTRACTOR's expense, in any such claim or action. In the defense or settlement of the claim, CONTRACTOR may obtain the right for DHCS to continue using the licensed Intellectual Property; or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
 3. CONTRACTOR agrees that damages alone would be inadequate to compensate DHCS for breach of any term of these Intellectual Property provisions by CONTRACTOR. CONTRACTOR acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including, without limitation, an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.
- H. Federal Funding. In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title and ownership, which results directly or indirectly from the agreement; except as provided in 37 C.F.R. Part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

The PCA

also applies to children's services that are provided in indoor facilities that are constructed, operated or maintained with such federal funds. The PCA does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where Women, Infants and Children Program coupons are redeemed.

- B. Certification of Compliance. By executing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the PCA, and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined thereby.
- C. Effect of Non-Compliance. Failure to comply with the provisions of the PCA may result in the imposition of a civil monetary penalty of up to One Thousand Dollars (\$1,000.00) for each violation and/or the imposition of an administrative compliance order on the responsible entity.
- D. Incorporation of Provisions. CONTRACTOR further agrees that it will incorporate the provisions contained herein into any subcontracts entered into that involve the services to be provided hereunder.

By executing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the Drug-Free Workplace Act of 1990 (California Government Code Sections 8350, et seq.), and will provide a drug-free workplace by doing all of the following:

- A. Drug-Free Policy Statement. Publish, as required by California Government Code Section 8355(a)(1), a Drug-Free Policy Statement which notifies employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited, and specifies the actions to be taken against employees for violations.
- B. Drug-Free Awareness Program. Establish, as required by California Government Code Section 8355(a)(2), a Drug-Free Awareness Program which informs employees about the following:

22. NUCLEAR FREE HUMBOLDT COUNTY ORDINANCE COMPLIANCE:

CONTRACTOR shall hold harmless, defend and indemnify COUNTY and its agents officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages and liabilities of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, CONTRACTOR's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.
- B. Effect of Insurance. Acceptance of insurance, if required by this Agreement, does not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to the services performed by CONTRACTOR pursuant to the terms and conditions of this Agreement regardless if any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided by CONTRACTOR hereunder.

24. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

- A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations provided for herein, CONTRACTOR shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the entire period of this Agreement, and any extended term thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR, its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:
 - 1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one incident, including, but not limited to, personal injury, death and property damage. If a general

aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.

2. As stated in Exhibit A – Scope of Services, CONTRACTOR will not drive an automobile in the performance of services for COUNTY. If that changes, CONTRACTOR will take out and maintain Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Offices Form Code 1 (any auto).
 3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY, its agents, officers, officials, employees and volunteers.
- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to loss or damage to property caused by explosion or resulting from collapse of buildings or structures or damage to property underground, commonly referred to as "XCU Hazards."
 - c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
 2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice provisions set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.
 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.

5. Any failure to comply with the provisions of this Agreement, including breach of warranties, shall not affect coverage provided to COUNTY, its agents, officers, officials, employees and volunteers.
 6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager or County Counsel. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to other remedies under this Agreement, take out the necessary insurance, and CONTRACTOR agrees to pay the cost thereof. COUNTY is also hereby authorized with the discretion to deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.
- C. Insurance Notices. Any and all insurance notices required to be given pursuant to the terms of this Agreement shall be sent to the addresses set forth below in accordance with the notice provisions described herein.

Nor shall such payment impair or prejudice any remedy available to COUNTY with respect to the breach or default.
