DISCUSSION: The Board of Supervisors wishes to recognize Lacie McGaughey who has been working on her Silver Award, the second highest achievement with Girl Scouts of America. As part of this project, Lacie has to create a library for a school that doesn't have one. She was assigned a Middle School in Ghana, where a lot of the students don't know how to read. Lacie gathered gently used books and other learning materials, as well as raised all the money to ship the books to New Orleans, where the books will be loaded into a shipping container, with others who created libraries, to be shipped to Africa. She also had to raise the money for the space for the books she collected in the container.
