DISCUSSION:

On September 1, 2015, Governor Jerry Brown signed Senate Bill 415 (SB 415), also known as the California Voter Participation Act (CVPA), into law becoming Division 14, Chapter 1.7 of the Election Code, Sections 14050-14057 (Attachment 1). The law requires school and special districts with regularly scheduled odd-year elections that have experienced "significant decrease in voter turnout" in a regularly scheduled election to transition to even-year statewide general elections. Significant decrease in voter turnout is described as voter turnout that is at least 25 percent less than the average turnout for the previous four statewide general elections.

Districts meeting the threshold must adopt a plan by January 1, 2018, to consolidate with even-year elections not later than the November 8, 2022, statewide general election. Humboldt County has 34 school and community college districts, one county school board, and 43 special districts subject to the provisions of SB 415. Pursuant to Elections Code, Sections 10404(b)(2) and 10404.5(b) (Attachment 1), districts transitioning to even-year elections must submit a resolution to the Board of Supervisors "no later than 240 days prior to the date of the currently scheduled district election".

Districts transitioning to even-year elections in 2017 were required to submit resolutions to the Board of Supervisors by March 10, 2017. From December 13, 2016, to April 11, 2017, the Board approved 26 school and 7 special district resolutions to transition to even-year elections.

The next deadline for districts to transition to even-year elections is March 10, 2019. Redway Fire Protection District has submitted a resolution. Impact analysis and resolution for Redway Fire Protection District is attached as Attachment 2 for the Board's consideration and approval. Board approval of the district's election cycle change will affect the districts' 2019 election cycles; however, since the 2017 election cycle deadline has expired, this district will be required to participate in the 2017 Consolidated District Election.

FINANCIAL IMPACT:

This item impacts the General Fund. Although the district transitioning to even-year elections will experience savings, the County of Humboldt and districts continuing to hold odd-year elections will experience cost increases. The General Fund currently absorbs 87 percent of statewide general election costs and will experience cost increases generated by additional materials, equipment testing, ballot processing, and staffing. Districts continuing with odd-year elections will see cost increases generated by fewer districts sharing election costs. As election costs vary depending on type of election and a variety of variables that change from one election to the next, it's difficult to forecast a specific dollar amount.

Although Elections Code, Sections 10404(f), directs districts to reimburse the Office of Elections for costs associated with mailing postcards, outlying costs will still fall to the General Fund to absorb. Some of these costs include Board of Supervisors notification to districts of transitions to even-year elections and the Office of Elections processing of returned voter postcards.

This item meets the Board's 2017 Strategic Framework by providing appropriate levels of community service and building interjurisdictional and regional cooperation.

- (c) The board of supervisors shall notify all school districts and the county board of education located in the county of the receipt of the resolution to consolidate and shall request input from each district on the effect of consolidation.
- (d) (1) The board of supervisors, within 60 days from the date of submission, shall approve the resolution unless it finds that the ballot style, voting equipment, or computer capacity is such that additional elections or materials cannot be handled. Prior to the adoption of a resolution to either approve or deny a consolidation request, the board or boards of supervisors may obtain from the elections official a report on the cost-effectiveness of the proposed action.
- (2) Public notices of the proceedings in which the resolution is to be considered for adoption shall be made pursuant to Section 25151 of the Government Code.
- (e) Within 30 days after the approval of the resolution by the board of supervisors, the elections official shall notify all registered voters of the districts affected by the consolidation of the approval of the resolution by the board of supervisors. - (g) In the event that the election day for a school district governing board or county board of education is established pursuant to subdivision (b) of Section 1302, the term of office of all then incumbent members of that governing board or county board of education shall be extended accordingly.
