Subject: **Zoning Ordinance Amendments**
Commercial Cannabis Land Use Ordinance (CCLUO)
Case Number OR 17-02

At the October 5, 2017 public workshop on the proposed CCLUO, Commissioners expressed they wanted to continue reviewing the draft ordinance in a public workshop format at the meeting on October 19th, which is the date the public hearing on the ordinance was supposed begin as stated in the public notice. Accordingly, staff recommends the Commission open the public hearing for the CCLUO amendments at the meeting on October 19th, and continue the public hearing to the meeting on November 2nd, 2017 without deliberating or taking public comment. Then as a separate action, staff recommends the Commission open the continued public workshop on the CCLUO.
