AGENDA ITEM NO.

C13

For the meeting of: October 24, 2017

Date: October 4, 2017

To: Board of Supervisors

From: Amy S. Nilsen, County Administrative Officer *AN*

Subject: First Amendment to Agreement for Promoting Humboldt County through Film & Digital Media Production with Redwood Region Entertainment and Education Liaisons, Inc.

### RECOMMENDATION(S):

That the Board of Supervisors:

1. Approve the First Amendment to the Agreement for Promoting Humboldt County through Film & Digital Media Production (Attachment 1) with Redwood Region Entertainment and Education Liaisons, Inc. ("RREEL, Inc."); and
2. Authorize the Chair of the Board to execute the First Amendment to the Agreement with RREEL, Inc. and any future amendments thereto.

### SOURCE OF FUNDING:

General Fund – Transient Occupancy Tax

### DISCUSSION:

The county receives transient occupancy taxes ("TOT") based on room charges for stays in hotels in the unincorporated area of the county. Unlike other taxes that are paid primarily by local residents, TOT is generated mostly from visitors to the area. For this reason, the county has historically devoted a portion of the TOT proceeds to support outside agencies that promote the county and increase TOT receipts. From 2005 through 2009, the Humboldt County Convention and Visitors Bureau ("HCCVB") was the exclusive

entity that received county TOT funds for promotional purposes. HCCVB then passed funds on to other entities, including the chambers of commerce that support “gateway” information booths as well as the Film Commission.

On July 6, 2010, the Board executed agreements with RREEL and HCCVB for the term of July 1, 2010 through June 30, 2013. These contracts were for the same scope of work, in exchange for four percent (4%) and sixteen percent (16%) of TOT revenue, respectively. In 2013 RREEL requested an increase to six percent (6%). Your Board renewed the contract with RREEL, continuing with the same scope of work, with a reimbursement rate of five percent (5%) of TOT revenue. These agreements expired June 30, 2016, and staff drafted renewal contracts dated for July 5, 2016.

As part of the fiscal year 2017-18 budget, your Board approved an additional Twenty Thousand Dollars (\$20,000.00) to be allocated to RREEL for purposes of making known the various resources and advantages of Humboldt County through programs of film and video production and promotion. Accordingly, staff has prepared the First Amendment to the Agreement with RREEL, which increases the maximum amount payable thereunder by Twenty Thousand Dollars (\$20,000.00).

For each of the reasons stated above, staff recommends that the Board of Supervisors approve, and authorize the Chair of the Board to execute the First Amendment to the Agreement with RREEL, Inc.

#### FINANCIAL IMPACT:

The cost from the General Fund of the proposed First Amendment to the Agreement with RREEL is Twenty Thousand Dollars (\$20,000.00), bringing the total allocation for RREEL to One Hundred Six Thousand Nine Hundred Seventy-Three Dollars (\$106,973.00) in fiscal year 2017-18. This amount was included in the adopted budget for budget unit 1100-181-3243.

The recommended action supports your Board's Strategic Framework priorities for new initiatives by managing resources to ensure sustainability of services.

#### OTHER AGENCY INVOLVEMENT:

#### ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could choose to not approve the First Amendment to the Agreement with RREEL, Inc.

Meeting of: 6-21-2016

BOARD OF SUPERVISORS, COUNTY OF HUMBOLDT  
Upon motion of Supervisor Fennell  
Seconded by Supervisor Bass  
And unanimously carried by those members present,  
The Board hereby adopts the recommended action  
contained in this report.

Dated: July 5, 2016

By: *John Marshall*

In 2009, your Board entered into two agreements, one with RREEL (formally known as Humboldt County Film & Digital Media Commission) to provide TOT funding in exchange for promotion of the local film and digital media industry, and a separate one with HCCVB for general tourism promotion and pass-through to the gateways. Based on analysis of historical pass-through funds from HCCVB, it was determined that HCCVB would receive 16 percent of prior year TOT collection and RREEL would receive four percent.

On July 6, 2010 the Board executed an agreement with RREEL and HCCVB for the term of July 1, 2010 through June 2013. These contracts were for the same scope of work, in exchange for four percent and 16 percent of TOT revenue, respectively. In 2013 RREEL requested an increase to six percent. Your Board renewed the contract with RREEL, continuing with the same scope of work, with a reimbursement of five percent of TOT revenue. These agreements expired June 30, 2016, and staff has drafted renewal contracts to be back dated to July 1, 2016. The direction for changes to the contract were made at the June 21, 2016 Board of Supervisor's meeting, and contract revision and execution was not possible prior to June 30. Staff recommends back dating the agreement so there is not a gap in funding for the county's partners.

The contracts were drafted with the same terms as prior contracts, with the exception of direction given by your Board on June 21, 2016. As directed, staff made two changes to the HCCVB contract:

- Distribute the funding previously allocated to the Arcata Welcome Center in the amount of 50 percent to the Arcata Chamber of Commerce for the Arcata Visitors Center and the remaining 50 percent to the other gateway communities; and
- Include language to reimburse HCCVB for funding contributed to the Minimum Revenue Guarantee (MRG) used to recruit new air service to the Arcata-Eureka Airport.

The proposed agreements with HCCVB (Attachment 1) and RREEL (Attachment 2) continue the reimbursement rates as previously established, 16 percent and five percent, respectively.

#### FINANCIAL IMPACT:

The cost from the General Fund of the proposed agreements is \$254,101 for HCCVB and \$74,407 for RREEL in FY 2016-17. These amounts were included in the adopted budget.

The recommended action supports your Board's Strategic Framework priorities for new initiatives by managing resources to ensure sustainability of services.

## AGREEMENT FOR ADVERTISING AND PROMOTING HUMBOLDT COUNTY

THIS AGREEMENT is entered into 5<sup>th</sup> day of July 2016, by and between the **County of Humboldt**, a political subdivision of the State of California, hereinafter referred to as COUNTY, and the **Humboldt County Convention & Visitors Bureau**, a nonprofit corporation, hereinafter referred to as CONTRACTOR, collectively known as "the Parties".

### WITNESSETH:

WHEREAS, COUNTY benefits directly and indirectly from making known to the national and international public the resources and advantages of Humboldt County; and

WHEREAS, COUNTY is authorized to enter into agreements to advertise and promote its resources and advantages pursuant to Government Code Section 26100; and

WHEREAS, CONTRACTOR has been organized to make known the various resources and advantages of Humboldt County through programs of advertising and promotion; and

WHEREAS, COUNTY desires CONTRACTOR to coordinate the advertising and promotion of its resources and advantages in exchange for the compensation described herein,

WHEREAS, the CONTRACTOR pledged to support airline recruitment for the Arcata-Eureka Airport, and additional air service is believed to increase local tourism revenues,

NOW, THEREFORE, in consideration of the foregoing and of the mutual promises contained herein, it is hereby understood and agreed by and between the parties hereto as follows:

1. Term of Agreement. This agreement shall commence July 1, 2016, and continue in force and effect through June 30, 2019, unless terminated earlier as provided herein.

2. Administration of Agreement. The County Administrative Officer or his/her designee is hereby designated to administer this agreement on behalf of COUNTY and is hereby authorized to make any determination on behalf of COUNTY necessary for implementation of the provisions of this agreement.

3. Services - General. CONTRACTOR agrees to perform the following services on behalf of COUNTY:

- A. Advertise and make known the resources of Humboldt County.
- B. Develop the local economy through the marketing, promotion, advertising, and servicing of Humboldt County.

4. Compensation. For and in consideration of the services to be performed under this agreement, COUNTY agrees to allocate to CONTRACTOR, subject to annual approval of COUNTY's budget by the Board of Supervisors, a sum not to exceed sixteen percent (16%) of the Transient Occupancy Tax received by COUNTY in the fiscal year ended twelve months prior to the beginning of the fiscal year in which payment is made by the COUNTY, i.e. payments to CONTRACTOR during fiscal year 2013-14 shall be based on revenue received during fiscal year 2011-12. Payments to CONTRACTOR will be made in two equal payments each year, upon receipt of an invoice from CONTRACTOR, and shall be due and payable the first business day during the months of July and January.

COUNTY will reimburse CONTRACTOR for a portion of actual Minimum Revenue Guarantee (MRG) expenditures paid to an airline under a MRG agreement. Reimbursement will be based on the annual increase in Transient Occupancy Tax revenue above the base year (base year is the last full year prior to additional destinations being added). Any increased Transient Occupancy Tax received will be allocated to CONTRACTOR at a rate of 50 percent, up to a maximum of \$62,500 per year, and not to exceed \$125,000 over the entire two year period of the MRG.

5. Reduction in Compensation. CONTRACTOR recognizes that the services provided under this Agreement represent a small fraction of the variety of services for which COUNTY is responsible, and that the Transient Occupancy Tax is a source of general revenue which may be allocated at the discretion of COUNTY's Board of Supervisors. Therefore, CONTRACTOR agrees that the compensation payable under Section 4, above, is subject to reduction by COUNTY in the event of financial conditions that result in reductions generally applicable to other General Fund budgets. COUNTY agrees to notify CONTRACTOR, in writing, not later than the 1st day of March of any reduction to the compensation due under Section 4 for the succeeding fiscal year. In the event that the COUNTY fails to notify CONTRACTOR by March 1 of a reduction in compensation in accordance with this paragraph, CONTRACTOR's compensation for the following year shall be calculated in accordance with Section 4.

6. County Gateways. CONTRACTOR recognizes that part of its responsibility, in order to provide the services outline in Section 3, above, is to provide support for "gateways" to Humboldt County that disseminate information which markets, promotes and advertises Humboldt County. Therefore, CONTRACTOR agrees to support the work of the following gateways: Garberville Information Booth, Orick Information Booth, Willow Creek Information Booth, and Arcata Visitors Center. To clarify this support, CONTRACTOR shall enter into a separate agreement with the organizations operating each gateway, and shall provide a copy of each of those agreements to COUNTY not later than June 30, 2017. Each of these agreements shall include the provisions specified in Section 15 of this agreement as well as annual reporting of work plans from each of the gateways to CONTRACTOR.

7. Compensation to Gateways Organizations. As part of its commitment under Section 6, above, CONTRACTOR agrees to pass forty percent (40%) of the funding received from COUNTY pursuant to this Agreement to the gateways, as follows: 23.84% to Garberville Chamber of Commerce in support of the Garberville Information Booth, 6.83% to the Orick Chamber of Commerce in support of the Orick Information Booth, 6.83% to the Willow Creek Chamber of Commerce in support of the Willow Creek Information Booth, and 2.5% to the Arcata Chamber

of Commerce in support of the Arcata Visitors Center. Such "pass-throughs" shall be made within 30 days of receipt of funds from COUNTY, and shall be documented by copies of checks or wire transfer instructions which shall be made available to COUNTY upon request.

8. Annual Report. CONTRACTOR shall compile an annual report which includes a work plan and budget for the upcoming year as well as the manner in which CONTRACTOR has performed the services required by this Agreement during the preceding year. Such report shall identify specific activities carried out, expenditures, hours of operation, and other relevant information, and shall be presented by CONTRACTOR to the Board of Supervisors in open session in March of each year. In advance of this presentation, CONTRACTOR shall submit copies of the report to the Clerk of the Board of Supervisors and the County Administrative Officer. CONTRACTOR shall also provide COUNTY on a timely basis as specified by COUNTY any written reports and responses which COUNTY shall reasonably request.

9. Meetings. CONTRACTOR's meetings shall be open to the public. Minutes of said meetings shall be maintained and made available upon request.

10. Title to Equipment. Any equipment acquired with funds allocated under this Agreement shall be deemed the property of COUNTY. Upon termination of this Agreement, CONTRACTOR may continue to use said equipment for so long as the program for which the funds were provided continues to be conducted by CONTRACTOR. If the program ceases to be conducted by CONTRACTOR, said property shall be returned to COUNTY.

11. Copyrights, Patents. If this Agreement results in a video or other copyrightable material, the author is free to copyright the work, but COUNTY reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, all copyright material and all materials, which can be copyrighted. A discovery or invention arising out of or developed in the course of work aided by this Agreement shall promptly and fully be reported to COUNTY for determination as to whether patent protection of such invention or discovery shall be sought and how the rights of the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

12. Accounting Records. Accounting records of CONTRACTOR shall be kept in a manner approved by the County Auditor-Controller and shall be open to inspection by the County Auditor-Controller and/or the County Administrative Officer at any time during business hours for the term of this Agreement and one year thereafter. COUNTY shall have the right to monitor all work performed under this Agreement. In addition, CONTRACTOR will hire an independent auditor to perform a financial review of all activities, accounts and records associated with the use of funds received pursuant to this Agreement. Such review shall be conducted at least once during the term of this Agreement. CONTRACTOR will notify COUNTY in writing within thirty (30) days of any potential exceptions discovered during such review where such findings indicate that Agreement requirements are not being met. Upon discovery, CONTRACTOR promises to take appropriate corrective action immediately.

13. Insurance. Without limiting CONTRACTOR'S indemnification provided herein,

CONTRACTOR shall, and shall require any of its subcontractors, to take out and maintain, throughout the period of this Agreement, the following policies of insurance placed with insurers with a current A.M. Best rating of no less than A:VII or its equivalent, against injury/death to persons or damage to property which may arise from or in connection with the activities hereunder of CONTRACTOR, its agents, employees or subcontractors:

Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001), in an amount of \$1,000,000 per occurrence for anyone incident, including, personal injury, death and property damage. (3) The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.

(4) For claims related to this project, CONTRACTOR's insurance is primary coverage to the COUNTY, and any insurance or self-insurance programs maintained by the COUNTY are excess to CONTRACTOR's insurance and will not be called upon to contribute with it.

The endorsements shall be on forms as approved by the County Risk Manager or County Counsel. Any deductible or self insured retention over \$100,000 shall be disclosed to and approved by COUNTY. COUNTY is also hereby authorized with the discretion to deduct the cost thereof from the monies owed to CONTRACTOR under this Contract.

(7) COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered and CONTRACTOR shall be required to purchase additional coverage to meet the aggregate limits set forth above.

16. Nuclear Free Humboldt County Ordinance Compliance. CONTRACTOR certifies by its signature below that CONTRACTOR is not a nuclear weapons contractor, in that it is not knowingly or intentionally engaged in the research, development, production, or testing of nuclear warheads, nuclear weapons systems, or nuclear weapons components as defined by the Nuclear Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a nuclear weapons contractor, as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR becomes a nuclear weapons contractor.

17. Relationship of Parties. CONTRACTOR is an independent contractor with respect to all matters set forth in this Agreement. This Agreement is not intended, and shall not be construed to create the relationship of agent, servant, employee, joint venture or association between CONTRACTOR and COUNTY.

5. Reduction in Compensation. CONTRACTOR recognizes that the services provided under this Agreement represent a small fraction of the variety of services for which COUNTY is responsible, and that the Transient Occupancy Tax is a source of general revenue which may be allocated at the discretion of COUNTY's Board of Supervisors. Therefore, CONTRACTOR agrees that the compensation payable under Section 4, above, is subject to reduction by COUNTY in the event of financial conditions that result in reductions generally applicable to other General Fund budgets. Notwithstanding the provisions of Section 4, above, for the fiscal year commencing July 1, 2016, and ending June 30, 2017, CONTRACTOR agrees to be compensated at the rate of 3.4% of the Transient Occupancy Tax received by COUNTY during fiscal year 2014-15 (15% reduction to 4%). In any succeeding year of the Agreement, COUNTY agrees to notify CONTRACTOR, in writing, not later than the 1st day of March of any reduction to the compensation due under Section 4 for the succeeding fiscal year. In the event that the COUNTY fails to notify CONTRACTOR by March 1 of a reduction in compensation in accordance with this paragraph, CONTRACTOR's compensation for the following year shall be calculated in accordance with Section 4.

CONTRACTOR shall compile an annual report which includes a work plan and budget for the upcoming year as well as the manner in which CONTRACTOR has performed the services required by this Agreement during the preceding year. Such report shall identify specific activities carried out, expenditures, hours of operation, and other relevant information, and shall be presented to the Board of Supervisors in open session in January of each year. In advance of this presentation, CONTRACTOR shall submit copies of the report to the Clerk of the Board of Supervisors and the County Administrative Officer. CONTRACTOR shall also provide COUNTY on a timely basis as specified by COUNTY any written reports and responses which COUNTY shall reasonably request.

A discovery or invention arising out of or developed in the course of work aided by this Agreement shall promptly and fully be reported to COUNTY for determination as to whether patent protection of such invention or discovery shall be sought and how the rights of the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.
