Headwaters Fund List of Criteria and Scoring Worksheet

Project Name:

Squaw Park 200

Board Member Name:

Dan Hays

Funding Requested:

(50)

Date Reviewed:

This rating sheet will be used to rate each project individually. After projects are rated individually, they will be given a comparative ranking and the top ranked projects may receive funding.

Economic Impact - 50 Points Available (check off boxes which apply, a project may receive full points in any one outcome, or for providing benefits across several. S = strong, M = moderate and W = weak on any given strategy)

S M W

<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>		Supports the development of pre-permitted commercial space
	<input checked="" type="checkbox"/>		Reduces regulatory bottlenecks for business retention or creation
<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>	Supports economic development infrastructure
		<input checked="" type="checkbox"/>	Benefits the base or Targets of Opportunity industries
	<input checked="" type="checkbox"/>		Develops strategies for economic development or supports existing strategies
	<input checked="" type="checkbox"/>		Provides access to external markets or plugs the leaks
<input checked="" type="checkbox"/>			Retains and grows existing businesses
		<input checked="" type="checkbox"/>	Provides workforce training
		<input checked="" type="checkbox"/>	Increases the number of new businesses through supporting entrepreneurship and innovation
<input checked="" type="checkbox"/>			Leverages future funding or projects
		<input checked="" type="checkbox"/>	Increases prosperity by helping low-income individuals develop business skills
<input checked="" type="checkbox"/>			Total Points - Economic Impact

Impact on Environment and Quality of Life - 30 Points Available
(check off all boxes which apply using the "strong, moderate, weak" scale)

S M W

<input checked="" type="checkbox"/>			Protects and/or improves the natural environment
<input checked="" type="checkbox"/>			Supports sustainable use of environmental resources
	<input checked="" type="checkbox"/>		Preserves open spaces and working landscapes including ranches and other agricultural lands
	<input checked="" type="checkbox"/>		Utilizes environmental knowledge in the creation of jobs
		<input checked="" type="checkbox"/>	Builds leadership skills
		<input checked="" type="checkbox"/>	Project is in a geographically underserved area or serves an underserved population
<input checked="" type="checkbox"/>			Revitalizes communities/infrastructure

Headwaters Fund List of Criteria and Scoring Worksheet

	S	M	W	
<input checked="" type="checkbox"/>				Builds public infrastructure
			<input checked="" type="checkbox"/>	Improves public or pedestrian transportation
			<input checked="" type="checkbox"/>	Utilizes existing buildings
<input checked="" type="checkbox"/>				Fits with community image and identity
<input checked="" type="checkbox"/>				Preserves cultural heritage
<input checked="" type="checkbox"/>				Contributes to Humboldt County being a desirable place to live
30	Total Points - Environment and Quality of Life			

Project Design and Readiness and Fiscal - 20 Points Available (check off boxes which apply using the "strong, moderate, weak" scale)

S M W

	<input checked="" type="checkbox"/>		Project fulfills an unmet need.
	<input checked="" type="checkbox"/>		Demonstrates cross-sector support (i.e. government/private or cross industry)
<input checked="" type="checkbox"/>			Ingredients for project success in place- research, planning, permitting
	<input checked="" type="checkbox"/>		Project scope contains sufficient detail to define success
<input checked="" type="checkbox"/>			Visible private industry sector support (i.e. letter of support)
	<input checked="" type="checkbox"/>		Implementation vs preliminary phase (Implementation projects receive higher points than studies)
	<input checked="" type="checkbox"/>		Timeliness of project and likelihood it will succeed
		<input checked="" type="checkbox"/>	Diversity of funding partners and firmness of commitments
		<input checked="" type="checkbox"/>	Project budget well thought out and reasonable
		<input checked="" type="checkbox"/>	Degree of match funding (both committed and not, with higher points for committed)
	Total Points - Design and Readiness and Fiscal
