Dear Mr. Joe Hobbs: ElkManagementPlan@wildlife.ca.gov;

We request a two week extension for comments on the State Wide Elk and Management Plan. This extension would give an opportunity for our local Farm Bureau and Cattlemen's Association and other interested parties to send their comments and concerns to be included in the updated Plan. If extended to February 12, 2018, there would be adequate time for data and information to be reviewed and include. All associations and agencies should have adequate time for input and collaboration on this very important update.

Thank you for consideration in regards to this matter.

Ryan Sundberg, Chair

Humboldt County Board of Supervisors
