

COUNTY OF HUMBOLDT

For the meeting of: 11/6/2018

File #: 18-1421

To: Board of Supervisors

From: DHHS: Mental Health

SUBJECT:

Professional Services Agreement with Restpadd Health Corporation Regarding the Provision of Adult and Youth Psychiatric Inpatient Services to Eligible Medi-Cal Beneficiaries Residing in Humboldt County

RECOMMENDATION(S):

That the Board of Supervisors approve, and authorize the Chair of the Board to execute, the attached professional services agreement with Restpadd Health Corporation regarding the provision of adult and youth psychiatric inpatient services to eligible Medi-Cal beneficiaries residing in Humboldt County for the period of April 27, 2018 through June 30, 2019; and direct the Clerk of the Board to return two (2) fully executed original copies of the attached professional services agreement to the Department of Health and Human Services - Contract Unit for further processing.

SOURCE OF FUNDING:

Mental Health Fund

DISCUSSION:

The Board of Supervisors has authorized the Department of Health and Human Services - Mental Health ("DHHS - Mental Health") to operate the County of Humboldt's Mental Health Plan. The provision of specialty mental health services to all Medi-Cal beneficiaries residing in Humboldt County that meet necessary criteria is, and will remain, the responsibility of DHHS - Mental Health. Therefore, since April 1998, DHHS - Mental Health has contracted with qualified specialty mental health providers, including Restpadd Health Corporation, who have historically served Medi-Cal beneficiaries residing in Humboldt County. DHHS - Mental Health has established a provider network with in-county as well as out-of-county providers for referrals of Medi-Cal beneficiaries residing in Humboldt County to ensure beneficiaries have a choice of appropriate providers.

Psychiatric Health Facilities ("PHF") offer an alternative to repeated psychiatric hospitalization. Youths and adults placed at these facilities are stabilized, treated and transitioned to a variety of less restrictive placements including, without limitation, family, foster families or lower level group homes as part of each individual's long-term permanency plan.

Restpadd Health Corporation's PHF, located in Red Bluff, California, is an inpatient acute care treatment facility that provides multi-disciplinary evaluation, treatment, rapid stabilization and coordinated discharge planning services to both adults, between eighteen (18) to sixty-four (64) years of age, and adolescents, between thirteen (13) to eighteen (18) years of age, who are unable to maintain and safely function at home or in the community. The two (2) unit design of Restpadd Health Corporation's facility prevents mingling between adults and adolescents. When an initial placement at Restpadd's PHF occurs, the client is stabilized and transitional plans are put into place and reviewed on a regular basis in order to transition the client to community living as soon as may be clinically appropriate. All psychiatric inpatient services provided at Restpadd Health Corporation's PHF are delivered with a wellness and recovery focus.

DHHS - Mental Health has previously contracted with Restpadd Health Corporation's parent company, Restpadd Inc., on July 22, 2014 and then again on June 23, 2015. On both occasions, Restpadd Inc. demonstrated expertise in providing a full range of inpatient psychiatric and rehabilitative services, including, without limitation, twenty-four (24) hour nursing care, dietary services, medical, psychiatric, psychological and social assessments, crisis intervention, administration and supervision of psychotropic medications, individual and group therapy, art, recreational and vocational therapy, clinical laboratory services, social services and discharge planning services.

Restpadd Health Corporation is an out-of-county organizational provider. Out-of-county providers are seldom used and only serve beneficiaries with the most intense needs. The attached professional services agreement will allow eligible Medi-Cal beneficiaries residing in Humboldt County to receive psychiatric inpatient services from Restpadd Health Corporation from April 27, 2018 through June 30, 2019. It should be noted that the attached professional services agreement with Restpadd Health Corporation comes to the Board after the start date thereof due to inadvertent delays that occurred during the contract development process.

Accordingly, DHHS - Mental Health recommends that the Board approve, and authorize the Chair of the Board to execute, the attached professional services agreement with Restpadd Health Corporation regarding the provision of adult and youth psychiatric inpatient services to eligible Medi-Cal beneficiaries residing in Humboldt County.

FINANCIAL IMPACT:

The attached professional services agreement with Restpadd Health Corporation has a maximum amount payable of One Hundred Thousand Dollars (\$100,000.00) for the period of April 27, 2018 through June 30, 2019. However, if local, state or federal funding is reduced or eliminated, the County of Humboldt may reduce such maximum amount payable or terminate the attached professional services agreement in its entirety.

Expenditure appropriations related to the attached professional services agreement with Restpadd Health Corporation have been included in the approved fiscal year 2017-2018 and fiscal year 2018-2019 budgets for DHHS - Mental Health Administration budget unit 1170-424. Funding for the attached professional services agreement with Restpadd Health Corporation is made available through federal Medi-Cal financial participation and state realignment for mental health managed care and early periodic screening diagnosis and treatment. As a result, approval of the attached professional services agreement with Restpadd Health Corporation will not impact the Humboldt County General Fund.

The recommended actions support the Board of Supervisors' Strategic Framework by ensuring opportunities for improved safety and health, protecting vulnerable populations and providing appropriate levels of services.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to approve the attached professional services agreement with Restpadd Health Corporation regarding the provision of adult and youth psychiatric inpatient services to eligible Medi-Cal beneficiaries residing in Humboldt County. However, this alternative is not recommended since it would require DHHS - Mental Health to directly provide the adult and youth psychiatric inpatient services currently being provided by Restpadd Health Corporation, which is not feasible at this time.

ATTACHMENTS:

1. Professional Services Agreement with Restpadd Health Corporation Regarding the Provision of Adult and Youth Psychiatric Inpatient Services for fiscal years 2017-18 through 2018-19
