PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU'RE INTERESTED IN SERVING ON
THE PLANNING COMMISSION.

I am fascinated by the process and influence of local government. I've spent three-fourths of my life in Southern Humboldt County and I decided long ago that this place had everything I needed.

Working as a legal assistant in Eugene Denson's Law Office, I've seen and heard some of the endless train of first-hand accounts describing the painstaking processes our residents have been made to endure for a list of reasons, and I know that there is room for change.

Simply educating the public on the unfortunate necessities that a booming commercial industry entails could be the difference between retaining our close-knit community values and losing what many of us consider to be our one true home to a line of faceless corporations who are just waiting for the gun to fire at the starting line.

We want our air, water, and soils clean, while keeping our right to personal freedom uninhibited to a realistic extent. This can be done, I know it, and I want to be a part of it all.

PLEASE ATTACH A CURRENT RESUME.
