PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU'RE INTERESTED IN SERVING ON THE **PLANNING COMMISSION**.

There are a few factors that persuaded me to apply for a planning commission member at-large appointment with our County of Humboldt.

First, I believe strongly in community involvement. With my background in planning and not for profit leadership experience, I can provide consensus building and communication skills that will help facilitate the changing landscape.

Second, I have previously worked in the planning and zoning department as a city planner and architectural review board member. Through this experience I have earned a strong understanding of regulations governing the county's development and I am familiar with the various stakeholders such as staff, developers, public, etc.

Lastly, I want to play a role in shaping the development of the county my birth and ancestral home since the 1890's. I have a passion to make this county great and to preserve Humboldt's greatest assets. I have a unique background and skill set to offer on the commission.
