PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU'RE INTERESTED IN SERVING ON THE **PLANNING COMMISSION**.

As a long-term resident of Humboldt County, I am interested and feel confident in representing various and diverse interests. I participated in the General Plan Update early in the process, have been following the progress through the final approval and should I be chosen, look forward to working with fellow Commissioners on implementing ordinances. As a commissioner, I think it is important to keep an open mind, listen attentively and do enough research to make sound decisions. As owner of my own consulting business from 2003 to 2010, I understand the hurdles faced by local businesses. And in the larger picture, we cannot escape the impacts of climate change on our quality of life.

Now retired, I have the time to make the commitment necessary to be an effective Planning Commissioner and believe I would make a good one. Thank you for consideration.

PLEASE ATTACH A CURRENT RESUME.
