I am interested in serving on the Humboldt County Planning Commission because I believe in public service. It will be beneficial to me by giving me a different perspective on varying a different communities in Humboldt. As a Public Health Nurse in Humboldt, I have intimate knowledge of individual and families but limited experience in communities as a whole. I believe I am uniquely able to understand the unique challenges that families face in our community. By serving on Humboldt county Planning commission I will be an asset to Humboldt County families. Sharing my knowledge and experience with many community leaders and activities is something I do every day. As a professional, I will bring my years of experience as a medical professional while facilitating linkages to community resources, assessing and improving access to health care, identifying supportive services and ensuring highest level of self-sufficiency. I understand and will ensure culturally and linguistically appropriate interventions, assesses health status and education on special health conditions, assesses the needs and strength of specific populations. Thank you for considering me to service on the Humboldt County Planning Commission.
