

## HOUSING AUTHORITIES ★ CITY OF EUREKA & COUNTY OF HUMBOLDT

735 WEST EVERDING STREET, EUREKA CA 95503  
PHONE: (707) 443-4583 FAX: (707) 443-4762 TTY: (800) 651-5111

The Housing Authority of the County of Humboldt (HACH), a local governmental agency, has been helping low-income families since 1970 through assistance from the Housing Choice Voucher (HCV) program (formerly known as Section 8). While we regularly assist over 900 families a month with rental payments, one of the biggest hurdles renters face is coming up with a security deposit and other move-in costs, which can regularly equal three times the unassisted rent and which average about \$2,000 per family for program participants. This challenge is especially poignant for our homeless clients, when any income typically goes toward basic and immediate survival needs. Given that 25% of our current applicants on our waitlist identify as homeless, and their voucher utilization averages only 12% of all vouchers issued, HACH is requesting \$130,800 of HEAP funds to be used specifically for a move-in assistance payment program (MIAPP) to provide immediate move-in costs for our homeless and near-homeless HCV clients, so they may have a better opportunity to secure permanent housing.

Currently, the Housing Choice Voucher (Section 8) Program does not pay security deposits for participant families. This can present an insurmountable impediment to successful voucher utilization, as coming up with the funds to pay a security deposit, as well as the first or last month's rent, is often difficult. While not all landlords will charge a security deposit, they do have the right to do so, and usually will expect payment in full before move-in. When a deposit is due, the number of assistance programs and agencies that can help renters is limited, and sending clients to another agency can be confusing and overwhelming for them. Further, processing time and delays may result in the potential tenant losing the unit, as landlords cannot afford to hold their properties open in this demanding rental market. Providing move-in assistance via payments directly to landlords on behalf of our clients who qualify will allow us to expedite assistance payment processing, ensuring these clients have a better opportunity to secure housing in a timely manner.

HACH has a long history of success with the HCV program, and adding move-in assistance payments for our homeless clients is a logical step forward. The agency has a regular record of zero findings on compliance and financial audits, is considered a high performer by HUD, and has trained staff both in housing services and finance who regularly handle challenging caseloads, payment processing, and detailed grant funding expense tracking and reporting. With our core staff competencies and industry-standard Yardi software, the agency is able to routinely comply with multiple program requirements and provide current, accurate reporting.

Our Board of Directors fully supports initiatives to better assist members of our community, especially the homeless or near homeless for whom this assistance is crucial. For any questions regarding this proposal or housing authority operations, please contact Cheryl Churchill, Executive Director, at 707.443.4583 x224 or [cherylr@eureka-humboldt-hsg.org](mailto:cherylr@eureka-humboldt-hsg.org).

## **PROFESSIONAL PROFILE**

### **Organization Overview**

The Housing Authority of the County of Humboldt (HACH) was established October 30, 1970 by the Humboldt County Board of Supervisors Resolution number 70-104 (amended December 6, 1977, by resolution 77-180). The Housing Authority is a body corporate and politic. It is an official branch or agency of the state, and it is not an agent of the county or city in which it functions. All powers of the Authority are vested in its governing body. Its policy making body is mandated by State law, and it consists of seven commissioners; five commissioners are appointed from each supervisorial district, one elderly tenant commissioner and one other tenant commissioner.

The mission of the Housing Authority of the County of Humboldt is to assist low-income families with safe, decent, and affordable housing opportunities as they strive to achieve self-sufficiency and improve the quality of their lives. The Housing Authority is committed to operating in an efficient, ethical, and professional manner, and treating all clients with dignity and respect. The Housing Authority will create and maintain partnerships with its clients and appropriate community agencies in order to accomplish this mission.

HACH administers the Housing Choice Voucher (HCV; formerly “Section 8”) rental assistance payment program, which is governed by Section 8 of the United States Housing Act of 1937 (as amended) and the Housing and Community Development Act of 1974. The HCV program provides that a tenant should not pay more than approximately 30% of gross income on housing, including utilities. To this end, the Authority, through a contract with the Federal Department of Housing and Urban Development (HUD), administers rental assistance payments for eligible low-income participants to their landlords amounting to the difference between 30% of the participant’s adjusted income and the fair market rent subsidized by the Federal Government. This fair market rent takes into account, among other considerations, the size of the dwellings and local comparable market rents.

Through consistent growth efforts by the agency and cooperation with local landlords, the voucher program has more than doubled from its original 438 Section 8 Certificates. Currently, HACH administers 925 Housing Choice Vouchers, which includes 49 current, and up to 95 total Veteran’s Affairs Supported Housing (VASH) vouchers. Subject to annual financial and compliance reviews, HACH has repeatedly received the “High Performer” designation from HUD for the Housing Choice Voucher program management, with the status most recently designated for 2019. With further outreach to introduce new landlords to the HCV program, and using referrals from other supportive agencies in the county, HACH intends to continue increasing the number of families being assisted through voucher utilization in Humboldt County.

In past years, HACH administered a Security Deposit Letter of Credit Program. This program was established to aid those who cannot afford a first and last month’s rent and security deposit to secure private market rental housing. Funding for this program was eliminated in 2008, and no

security deposit assistance program exists currently. However, HACH still has the capabilities and structure in place to administer deposit assistance payments to landlords, to better ensure that families who have been issued a voucher have a higher likelihood of securing permanent housing.

The Housing Authority of the County of Humboldt operates out of an office at 735 West Everding Street, Eureka, California 95503. It is worth noting that a second housing authority, the Housing Authority of the City of Eureka, is also operating within Humboldt County. With their mutual purposes, these two agencies share office space and utilize staff in common, allocating the 21 full-time permanent staff between the two agencies as needed to meet their needs. The Housing Authority of the City of Eureka owns and operates 198 Public Housing units, 51 Affordable/Multifamily units with project-based voucher support, and 22 affordable Senior units, all within the city of Eureka. The governing boards of these two agencies are separate but work closely together to achieve the mutual goal of providing more affordable housing in Humboldt County.

HACH does not currently have any ongoing litigation regarding the provision of services, nor has the agency been party to any active litigation or known investigations. Further, we have no knowledge of fraud investigations or convictions associated with the agency's undertakings, or of any violations of local, state and/or federal regulatory requirements. The Housing Authority of the County of Humboldt does not have a controlling or financial interest in any other organizations, nor is it owned or controlled by any other organizations. HACH is fully eligible to participate in public contracts.

## **Qualifications and Experience**

The Housing Authority of the County of Humboldt issues approximately 130 vouchers in a calendar year. After voucher issuance, the client goes out searching for a unit to rent that meets their rent limits and other requirements (unit size, location, etc.). Additionally, the landlord must agree to participate in the HCV program. Because Humboldt County has a fairly competitive rental market, with two colleges and a steady influx of people moving from out of the area, there are already several challenges for a client seeking a home where they can utilize their voucher assistance. One of the biggest hurdles, however, is often their ability to come up with a security deposit payment and other move-in fees. Of the average eleven vouchers that are issued monthly, only about 58% will actually be able to secure a home within the required time and be able to utilize the available assistance. With a move-in assistance payment program, that percentage could be significantly increased, allowing more homeless and at-risk families to obtain permanent housing. Given our established processes and procedures, HACH can quickly and easily implement additional services to better assist our homeless client base.

HACH maintains strict confidentiality with our clients, and only does credit and criminal background checks to verify eligibility for HUD's program assistance. We do not discriminate based on any protected classes, categories, or life situations, including homelessness. As part of this proposed HEAP project, clients eligible for assistance would be asked only to self-certify that they are homeless in order to establish eligibility for security deposit and move-in cost grant

assistance from HEAP funds. Homeless (or at risk of homelessness) for this program will have the same meaning as defined in Section 578.3 of Title 24 of the Code of Federal Regulations.

After a family or individual has been pulled from the application waitlist to be issued a voucher, they are brought in for a “screening”, during which they update their income and household information and HACH verifies that they still qualify for assistance. At this point, HACH will also provide a form for self-certification of homeless status, based on the above HUD definitions. If the family qualifies under any definition of homeless, they would be eligible to receive deposit and/or move-in cost assistance. The amount of assistance would be determined on a case-by-case basis, subject to security deposit limits according to law in the State of California, and any payment or deposit for services as required by PG&E to establish service at the client’s selected unit. Once HACH has received a signed contract from the selected landlord, approved payment would be sent directly to the landlord on behalf of the client. Also, if requested and needed, payment would be sent directly to PG&E to secure and commence utility services.

With 21 people on staff, our clients are often assisted by multiple agency employees, based on their specific requests, needs and on our internal expertise. As such, all staff will be briefed and trained on the HEAP funding program and how those funds can better assist our homeless population, as well as how it will be allocated and distributed by our agency. Several staff members will be involved in ensuring that our needy and qualified clients obtain HEAP assistance to help secure their housing:

- Housing Specialists (Caseworkers) – Take in applications and guide applicants through processing, including screening, voucher issuance, and completing their homeless certification and request for HEAP fund assistance
- Housing Supervisor – Oversees caseworkers and reviews any exceptions; helps settle any disputes or resolve unanswered questions e.g. program qualifications or certification paperwork questions
- Special Projects/504 Coordinator – Handles any reasonable accommodation requests
- Accounting Specialists – Process payments to vendors, monthly housing assistance payments to landlords and any additional subsidy payments, i.e. deposit assistance
- Director of Finance – Oversees payment processing and provides periodic program compliance reporting
- Executive Director – Oversees programs and monitors grant reporting and utilization

The Housing Authority of the County of Humboldt has a long history of helping individuals through the Housing Choice Voucher program to find housing that is suitable for their family needs. We believe with the addition of HEAP funds via a move-in assistance payments program, we will be able to better help our homeless clients obtain permanent housing, increasing the number of housed families in Humboldt County.

## **PROJECT DESCRIPTION**

### **Project Design**

#### **Overall Goals**

Building on the strength and stability of the Housing Choice Voucher (HCV) program, and consistent with Humboldt County's Housing First Principles, the HEAP Move-in Assistance Payments Program for security deposit and move-in cost assistance will help homeless program participants secure and move into permanent housing as quickly as possible. For any clients who are already eligible for HUD's HCV rental assistance, this program would supplement their assistance with no further participant requirement than that they self-certify as homeless and find housing. With the requested program budget of \$130,800, HACH expects to assist 60 families between July 1, 2019 and June 30, 2021.

HUD's HCV program is a voucher program that allows eligible participants to search for housing that both suits their family's needs and complies with program requirements for size, price, and housing quality standards. Annually, HUD requires that at least 75% of new vouchers issued go to families that are considered "extremely low income", and approximately 90% of families pulled from our waitlist for screening in 2018 were extremely low income. This pool captures the majority of our homeless applicants. Through HACH, participants may choose housing anywhere in Humboldt County, as long as the landlord agrees to also participate in the program, and the unit passes periodic inspections. With approximately 63,000 housing units in Humboldt County and an owner-occupied housing rate of 56.5% based on July 1, 2018 census estimates, there is an estimated rental market of over 27,000 units. By pairing the HCV assistance for homeless clients with security deposit and move-in cost assistance, we will create a program that removes the barrier of paying up-front move-in costs, and assists low-income families with ongoing rental expense, allowing homeless or at-risk families to transition to permanent housing quicker and more efficiently because the payments will also come from a single payer, instead of from multiple agencies.

#### **Target Population for HEAP Project**

Our target population for the proposed move-in assistance payments program are homeless applicants who have been screened for eligibility and issued a voucher under the HUD Housing Choice Voucher program. "Homeless" will be defined consistent with Section 578.3 of Title 24 of the Code of Federal Regulations, which includes persons who are (1) at risk of homelessness, (2) homeless, or (3) chronically homeless. The specific definition as stated in the Code of Federal Regulations is included in this proposal as Attachment D.

Clients requesting security deposit and move-in expense assistance will complete a Homelessness Self-certification Statement to qualify themselves for assistance under this program. Such form is included with this proposal as Attachment C.

As of February 25, 2019, 25% of the applicants on our waitlist are homeless. These 184 households have already been income-qualified as eligible for assistance and are waiting for their opportunity to receive their voucher. Of the 258 total applicants issued vouchers in 2017 and 2018, meaning they income-qualified and went through our screening process to the point of being issued a voucher to go out and obtain housing, the amount who were homeless and able to secure permanent housing utilizing their available voucher assistance was only 12% of that total, compared to 47% for non-homeless (the remaining 42% of applicants did not secure housing using their voucher before it expired). Of those 30 formerly homeless clients that secured housing using their voucher assistance, 28 of them (93%) are still housed with assistance. This compares to 92% of non-homeless clients from the same group who are still current voucher holders. This illustrates the fact that once on the program, former homelessness is no indicator of ongoing success; the biggest challenge for homeless clients is in being able to secure a place to live where they can take advantage of their rental assistance.

### **Subsidies Provided**

The Housing Choice Voucher (HCV) program is the federal government's major program for assisting low-income families to afford decent, safe and sanitary housing in the private rental market. HUD's grant funding is provided via an annual contributions contract to the Housing Authority of the County of Humboldt, renewing automatically every year. Once clients are pulled from the waitlist and screened for income and other program requirements, they are issued a voucher with an initial period of sixty days to secure a rental that meets their family's needs and matches what is allowed for the program e.g. bedroom size, monthly rent expense, etc. Subsidy payments typically start once a Housing Quality Standards inspection has been completed with a "pass" status and the respective client and landlord HAP contracts and other paperwork have been completed.

As the program currently exists within HACH, the only assistance available for HCV clients is the monthly HAP assistance. For our homeless clients, coming up with move-in costs such as PG&E deposit and security deposit payments often stands in the way of their family being able to utilize the voucher assistance. Though they may request a 60-day extension after their initial 60-day voucher issuance, 120 days is still not enough for many families to both find a unit to rent and to afford the move-in costs, which can sometimes exceed \$3,000. With a goal of helping more of Humboldt county's homeless population be able to successfully utilize the HCV program, a second assistance layer of HEAP subsidy for move-in costs would help this group better secure housing.

The average move-in costs for HCV families entering the program during 2018-2019 is just under \$2,000 per household. The HEAP grant would be used to pay one-time move-in costs such as first and/or last month's rent, security deposits, and PG&E utilities deposit. Based on the program's percentage of homeless on the waitlist, the annual voucher issuance and lease-up rates, we anticipate assisting sixty homeless families with this subsidy, for a total assistance of \$120,000 over a two-year period. An additional allocation of \$10,800 covers staff time to assist clients with self-certification forms, determining need level, communications with landlords, issuing payments as needed, referral services, and providing accurate and timely reporting.

## Description of Services

Once a voucher is being utilized on the HCV program, a landlord receives a regular monthly payment for a portion of the total rent charged for a unit. The client pays approximately 30% of their calculated income directly to the landlord for their portion of rent, and HACH makes up the difference between that amount and the remainder of rent due to the landlord. Once a client is on the program, their payment would only change if they have a change in their household such as gaining or losing a job or adding or removing a family member. Additionally, payments may change if a landlord requests and is granted a rent increase.

As stated previously, one of the biggest challenges with this program is for low-income families being able to save up enough money to pay move-in expenses, which most landlords expect before they'll accept a household as renters. For this reason, HACH is requesting HEAP funds to provide move-in cost assistance to help ensure our homeless families can utilize their voucher to obtain permanent housing.

The level of move-in assistance will be determined on a case-by-case basis. Security deposits and other move-in costs vary based on city, unit size, and other factors such as average utility cost in that unit over the past twelve months. When an HCV client is screened for voucher issuance and completes the self-certification form indicating they are homeless, HACH will issue a letter to potential landlords stating that the client will be getting assistance from this agency for their move-in costs, to be paid directly by HACH to the landlord and/or PG&E. While costs will be paid based on the individual landlord's required deposits, assistance will be capped at three times the current fair market rents (FMR), for the appropriate unit. Amounts for 2019 are indicated in the chart below.

	Studio	1 BR	2 BR	3 BR	4 BR	5 BR
HUD 2019 FMR, Humboldt	665	765	998	1,443	1,660	1,909
HACH 2019 FMR @109%	725	834	1,088	1,573	1,809	2,081
Maximum move-in costs	2,175	2,502	3,263	4,719	5,428	6,242

As the deposit and move-in cost payments would be a grant payment on behalf of the homeless client, the landlord would treat the payment as if it was received directly from the tenant. No refunds are expected to HACH upon move-out; the landlord and tenant would handle this between their two parties based on California tenant-landlord law.

Further assistance will be provided to HCV clients who self-certify as homeless in the form of a resource list for other services. This resource contains a list of local agencies and their services provided that clients may find useful as they transition from homeless to housed.

## Capital Improvements

No capital improvements will be provided as part of this proposed HEAP project, which is service and assistance-payment based.

## **Staffing**

The HCV program currently has seven full-time equivalent employees providing services for HACH. This includes caseworkers, accountants, and other administrative personnel. Staff are trained in fair housing and reasonable accommodations as well as HUD's HCV program requirements. Staff maintains strict confidentiality with clients and only shares information internally on a need-to-know basis with other staff. The goal of HACH is to get people housed, and keep them housed; to that end, HACH has several employees who will be assisting clients to help them utilize the available subsidies:

- Housing Specialists (Caseworkers) – Take in applications and guide applicants through processing, including screening, voucher issuance, and completing their homeless certification and request for HEAP fund assistance
- Housing Supervisor – Oversees caseworkers and reviews any exceptions; helps settle any disputes or resolve unanswered questions e.g. program qualifications or certification paperwork questions
- Special Projects/504 Coordinator – Handles any reasonable accommodation requests
- Accounting Specialists – Process payments to vendors, monthly housing assistance payments to landlords and any additional subsidy payments, i.e. deposit assistance
- Director of Finance – Oversees payment processing and provides periodic program compliance reporting
- Executive Director – Oversees programs and monitors grant reporting and utilization

HACH monitors voucher issuance, utilization and other metrics on a regular basis. To ensure effective and efficient implementation of this project, we will add new metrics to our monthly reporting. Target monthly utilization of HEAP assistance funds will be 3 families assisted, or an average utilization of \$6,000. While this would fully utilize program funds by month 20, we would prefer to aggressively utilize grant funds to assist as many homeless families as soon as possible, than to not be able to expend all funds available as assistance. If the target utilization rate is not being met, HACH will increase outreach to homeless as well as to landlords regarding this program, sharing the successes our formerly homeless clients have had on the program.

## **Referrals to Other Services**

When vouchers are issued to HCV clients, the client is provided a list of local property managers. Though this list is not exhaustive, we update it periodically to include as many potential resources as possible to help clients find available housing. Additionally, we will provide a resource list of other agencies and available services in Humboldt County that clients may need and find useful. See the Supplemental Documentation section for the current resource list and landlord referral list.

## **Systems and Processes**

HACH uses an industry-standard property management software system, Yardi Voyager, along with Microsoft Office suite, to regularly process and track large amounts of data, from client and

household information to payment processing and financial statements. Reporting will be provided as requested and required, but at a minimum, the following will be provided after the close of each month:

- How many homeless clients are on the current waitlist
- How many HCV clients self-certified as homeless at screening
- How many homeless clients leased-up
- What the lease-up costs were for homeless clients
- How much HEAP assistance funds were used (in total and for each lease-up)
- Any other metrics that provide useful information

Based on historical voucher and household data adjusted to account for additional funding assistance, HACH anticipates assisting at least 60 homeless families over the next 24 months. On a monthly basis, our success will be measured based on current HEAP utilization, total funds utilized versus funds remaining, and number of clients served, with plans to assist at least three homeless households monthly until grant funds are fully expended.

If we find that performance targets are not being met, remediation will occur through:

- Increasing homeless applicants to HCV program
- Further outreach with agencies assisting homeless population
- Direct referrals and one-on-one application interviews to increase eligible pool of clients
- Street outreach
- Landlord outreach

## **Program Longevity**

While HCV assistance is ongoing as long as HUD continues to fund the program, move-in expense and deposit assistance will be provided on a first-come, first-served basis to eligible clients based on their self-certification, until funds are fully expended or this program terminates. HACH will issue pre-approval assistance letters to clients seeking housing, showing intent to pay move-in costs, not to exceed the available balance of grant funds. At the exhaustion of allocated HEAP funds, HACH will apply for further grant funding from any available sources. It's worth noting that exhaustion of HEAP funding does not prohibit clients from accessing other housing services. As California and Humboldt County have made homeless assistance a priority, we believe that further funding will be made available for ongoing support of successful homeless assistance programs.

## **Adherence to Humboldt County Housing First Principles**

Consistent with Housing First principles, the proposed program will help our homeless clients get permanent, affordable housing as quickly as possible once they have come up on the waitlist for HCV assistance. Instead of the scramble that usually happens for families trying to come up with a security deposit and find housing once their vouchers are in-hand, homeless clients will have a letter issued by HACH to take out on their search showing that move-in costs will be paid

on their behalf. Further, with referrals to other local agencies and services, our clients will have leads on additional support they may need in transitioning from homeless to housed.

### **Capital Acquisition Compliance**

This section is not applicable, as this project does not involve the purchase of land, rehabilitation of structures, or building of structures, but is a service-based program with one-time grant payments made on behalf of program participants.

### **Project Budget**

See the following page for project budget details.

**Request for Proposals - No. DHHS 2019-01  
Homeless Emergency Aid Program**

**Attachment B - Proposed Project Budget  
Move-in Assistance Payments Program**

<b><u>A. Personnel Costs</u></b>	<b>Hourly Rate</b>	<b>Hours</b>	<b>Total</b>
<b>Housing Specialists</b> - Screenings, assisting with homeless self-certification forms and questions, referring to finance for deposit assistance approval; 1.5 hours per client	\$ 34.86	90	\$ 3,137
<b>Housing Supervisor</b> - Resolving any program questions or issues, providing monthly report of assistance letters issued and number of clients assisted as well as other reporting metrics; 1.5 hours per month	\$ 42.72	36	\$ 1,538
<b>Accounting Specialists</b> - Reviews, inputs and processes move-in assistance payments; 1.25 hours per client	\$ 31.62	75	\$ 2,372
<b>Director of Finance</b> - Issues assistance payment checks, provides monthly report of assistance dollars used monthly and program to date as well as other reporting metrics; 1.5 hours per month	\$ 42.70	36	\$ 1,537
<b>Executive Director</b> - Program review and oversight; 1 hour per month	\$ 62.59	24	\$ 1,502
<b>Total Personnel Costs</b>			<b>\$ 10,086</b>
<b><u>B. Operational Costs</u></b>			
Move-in/deposit payments paid directly to providers (Landlords, PG&E) - estimated 60 clients assisted at average \$2,000/household			<b>\$ 120,000</b>
<b><u>C. Supplies Costs</u></b>			
Approval letters to landlords, homeless self-certification forms, and Resource Packets for referral to other agencies/services			<b>\$ 264</b>
<b><u>D. Other Costs</u></b>			
Advertising of assistance program in local publications to increase homeless applicants and pool of available clients eligible for assistance (6 ads at \$75/posting)			<b>\$ 450</b>
<b>Grand total costs</b>			<b><u>\$ 130,800</u></b>

## **SUPPLEMENTAL DOCUMENTATION**

See attached documents under Required Attachments:

- 2019 High Performer Certificate copy

**REQUEST FOR PROPOSALS – NO. DHHS2019-01  
HOMELESS EMERGENCY AID PROGRAM**

**ATTACHMENT D – DEFINITION OF HOMELESS**

***“Homeless” has the same meaning as defined in Section 578.3 of Title 24 of the Code of Federal Regulations, as that section read on May 1, 2018:***

**At risk of homelessness means:**

**(1)** An individual or family who:

**(i)** Has an annual income below 30 percent of median family income for the area, as determined by HUD;

**(ii)** Does not have sufficient resources or support networks, e.g., family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the “Homeless” definition in this section; and

**(iii)** Meets one of the following conditions:

**(A)** Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;

**(B)** Is living in the home of another because of economic hardship;

**(C)** Has been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days of the date of application for assistance;

**(D)** Lives in a hotel or motel and the cost of the hotel or motel stay is not paid

by charitable organizations or by federal, State, or local government programs for low-income individuals;

**(E)** Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two persons, or lives in a larger housing unit in which there reside more than 1.5 people per room, as defined by the U.S. Census Bureau;

**(F)** Is exiting a publicly funded institution, or system of care (such as a health-care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or

**(G)** Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient's approved consolidated plan;

**(2)** A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 387(3) of the Runaway and Homeless Youth Act (42 U.S.C. 5732a(3)), section 637(11) of the Head Start Act (42 U.S.C. 9832(11)), section 41403(6) of the Violence Against Women Act of 1994 (42 U.S.C. 14043e-2(6)), section 330(h)(5)(A) of the Public Health Service Act (42 U.S.C. 254b(h)(5)(A)), section 3(m) of the Food and Nutrition Act of 2008 (7 U.S.C. 2012(m)), or section 17(b)(15) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)(15)); or

**(3)** A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), and the parent(s) or guardian(s) of that child or youth if living with her or him.

***Chronically homeless means:***

**(1)** A “homeless individual with a disability,” as defined in section 401(9) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11360(9)), who:

**(i)** Lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and

**(ii)** Has been homeless and living as described in paragraph (1)(i) of this definition continuously for at least 12 months or on at least 4 separate occasions in the last 3 years, as long as the combined occasions equal at least 12 months and each break in homelessness separating the occasions included at least 7 consecutive nights of not living as described in paragraph (1)(i). Stays in institutional care facilities for fewer than 90 days will not constitute as a break in homelessness, but rather such stays are included in the 12-month total, as long as the individual was living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter immediately before entering the institutional care facility;

**(2)** An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facility, for fewer than 90 days and met all of the criteria in paragraph (1) of this definition, before entering that facility; or

**(3)** A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria in paragraph (1) or (2) of this definition, including a family whose composition has fluctuated while the head of household has been homeless.

***Homeless means:***

**(1)** An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:

**(i)** An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;

**(ii)** An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, State, or local government programs for low-income individuals); or

**(iii)** An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;

**(2)** An individual or family who will imminently lose their primary nighttime residence, provided that:

**(i)** The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance;

**(ii)** No subsequent residence has been identified; and

**(iii)** The individual or family lacks the resources or support networks, *e.g.*, family, friends, faith-based or other social networks, needed to obtain other permanent housing;

**(3)** Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:

**(i)** Are defined as homeless under section 387 of the Runaway and Homeless Youth Act (42 U.S.C. 5732a), section 637 of the Head Start Act (42 U.S.C. 9832), section 41403 of the Violence Against Women Act of 1994 (42 U.S.C. 14043e-2), section 330(h) of the Public Health Service Act (42 U.S.C. 254b(h)), section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. 2012), section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)), or section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a);

**(ii)** Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance;

**(iii)** Have experienced persistent instability as measured by two moves or more during the 60-day period immediately preceding the date of applying for homeless assistance; and

**(iv)** Can be expected to continue in such status for an extended period of time because of chronic disabilities; chronic physical health or mental health conditions; substance addiction; histories of domestic violence or childhood abuse (including neglect); the presence of a child or youth with a disability; or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or

**(4)** Any individual or family who:

**(i)** Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;

**(ii)** Has no other residence; and

**(iii)** Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

**REQUEST FOR PROPOSALS – NO. DHHS2019-01  
HOMELESS EMERGENCY AID PROGRAM**

**ATTACHMENT E – Move-in Assistance Program Overview for Participants**

**Program Description**

The objective of the Move-in Assistance Payments Program is to provide funding to eligible applicants to help prevent homelessness or to assist persons in transitional housing to secure permanent rental housing.

This program offers eligible individuals and families assistance with a portion of their security deposits and other up-front move-in costs. Your income eligibility MUST be determined before you move in and you must be issued a voucher under the Housing Choice Voucher (HCV) program. Additionally, you must complete a Homeless Self-Certification form or you will be ineligible for move-in expense payment assistance.

**Move-In Assistance Payments may be available to help you.**

Move-In expense payment assistance may include security deposit and utility assistance, depending on the needs of the homeless family or individual. Once the person or family secures housing, the Housing Authority will make arrangements to pay move-in costs. The program provides move-in assistance such as security deposit, utility assistance, and other move-in costs necessary for participants to move out of homelessness and to stabilize in permanent housing.

**Financial assistance is flexible and individualized.**

Financial assistance is not a standard “package” and is flexible enough to adjust to households' unique needs. This is especially true as participants' financial circumstances or housing costs change.

For some, a small amount of assistance is enough to obtain housing and stabilize, but for those who need more, more assistance is provided. This flexible approach maximizes resources by only providing the most assistance to the households who truly need it.

The intent of the move-in assistance component of rapid re-housing is to enable the quick resolution of the immediate housing crisis.

**Documentation requested from household:**

1. Self-certification of homelessness
2. Statement from utility company if assistance is being requested for utilities.
3. Copy of lease with name of applicant listed, signed by tenant and landlord.
4. Landlord signed HAP contract for unit being leased.

### **What happens to the deposit payments when I move?**

When you leave your unit, any deposit payments made on behalf of the voucher holder to the landlord will be accounted for between those same two parties according to the California Tenant-Landlord laws. A refund, if any, would be remitted to the voucher holder.

### **How Do I Apply?**

First, you will be screened for voucher issuance, then briefed on what to do with your voucher. You will need to complete Homeless Self-Certification paperwork to be eligible for move-in expense assistance. Once you have been approved for a voucher and completed the required paperwork, a pre-approval letter of move-in assistance payments will be given to you to take on your search for a unit to rent. This is to inform the landlord that your move-in costs will be paid on your behalf, directly from the Housing Authority to the landlord or property manager. Grant funding is provided for this program on a first-come, first-served basis. If funds are available for assistance payments, they will be allocated to voucher holders once signed client and landlord HAP contracts and a copy of the signed lease is returned to the Housing Authority.

### **Qualifications**

Applicants must reside in Humboldt County, California, and self-certify as homeless (in agreement with definitions provided in the Code of Federal Regulations).

### **Disqualifications**

No move-in assistance will be provided if the applicant has paid a security deposit to the landlord in full prior to applying for move-in assistance.

No move-in assistance will be provided if the applicant has lived in the unit more than 60 days prior to applying for security deposit assistance.

### **Required Documents**

HAP contracts

Executed Rental Contract/Lease Agreement (**All pages are required**)

Note:

- If you do not provide a completed application **and** copies of all required documents that relate to your household, your application will be denied.

Cheryl Churchill  
Executive Director  
County of Humboldt Housing Authority  
735 West Everding Street  
Eureka, CA 95503

Dear Ms. Churchill,

This letter serves to congratulate you, your staff, and the County of Humboldt Housing Authority on the achievement of 2019 Housing Choice Voucher High Performer award.

The Department of Housing and Urban Development (HUD) distributed these awards at the National Association of Housing and Redevelopment Officials (NAHRO) Conference in Napa, California on January 29, 2019. As the County of Humboldt Housing Authority was not in attendance, we have mailed your award.

Thank you for all the work you all do to house individuals and families. Congratulations!

Sincerely,

A handwritten signature in blue ink, appearing to read "Gerard Windt".

**Housing Authority of the County of Humboldt**  
Eureka, CA

### **INDEPENDENT AUDITORS' REPORT**

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of business-type activities of the Housing Authority of the County of Humboldt as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Housing Authority of the County of Humboldt's basic financial statements as listed in the table of contents.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Housing Authority of the County of Humboldt, as of December 31, 2017, and the respective change in financial position and cash flows thereof for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

## Other Matters

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages i-v be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions of the financial statements that collectively comprise the Housing Authority of the County of Humboldt's basic financial statements. The supplemental information, as defined in the table of contents, including the Schedule of Expenditures of Federal Awards, required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements.

The supplemental information is the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information and the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated September 19, 2018 on our consideration of the Housing Authority of the County of Humboldt's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority of the County of Humboldt's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the County of Humboldt's internal control over financial reporting and compliance.

September 19, 2018

---

Smith Marion & Company, LLP • Certified Public Accountants  
Redlands Office • 1940 Orange Tree Lane, Suite 100 • Redlands, CA 92374 • (909) 307-2323

Board of Commissioners  
Housing Authority of the County of Humboldt  
Eureka, CA

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

**INDEPENDENT AUDITOR'S REPORT**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Housing Authority of the County of Humboldt (the Authority) as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated September 19, 2018.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Housing Authority of the County of Humboldt's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the County of Humboldt's internal control. Accordingly, we do not express an opinion on the effectiveness of Housing Authority of the County of Humboldt's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# Housing Authority of the County of Humboldt

Independent Auditors' Report

December 31, 2017

---

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the County of Humboldt's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in blue ink, reading "Smith Marin & Co.", with a stylized flourish at the end.

**Board of Commissioners**  
**Housing Authority of the County of Humboldt**  
Eureka, CA

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

**INDEPENDENT AUDITOR'S REPORT**

**Report on Compliance for Each Major Federal Program**

We have audited Housing Authority of the County of Humboldt's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Housing Authority of the County of Humboldt's major federal programs for the year ended December 31, 2017. Housing Authority of the County of Humboldt's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of Housing Authority of the County of Humboldt's major federal programs based on our audit of the type of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Housing Authority of the County of Humboldt's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Housing Authority of the County of Humboldt's compliance.

**Opinion on Each Major Federal Program**

In our opinion, Housing Authority of the County of Humboldt complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

## Report on Internal Control Over Compliance

Management of the Housing Authority of the County of Humboldt is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Housing Authority of the County of Humboldt's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Housing Authority of the County of Humboldt's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal controls over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## Housing Authority of the County of Humboldt Summary HCV Program Statistics

	Counts	Percent
<b>Waitlist, 2/25/2019</b>		
Homeless	184	25%
Not homeless	542	75%
Total	726	100%
<b>2017-2018 Voucher Statistics:</b>		
Total vouchers issued	258	100%
HCV assistance utilization		
<b>Homeless, leased up</b>	30	<b>12%</b>
<b>Not homeless, leased up</b>	120	<b>47%</b>
All expired vouchers	108	42%
Total	258	100%
Voucher status at 3/1/2019		
<b>Formerly homeless, current HCV participant</b>	28	<b>93%</b>
Formerly homeless, past	2	7%
Total formerly homeless	30	100%
<b>Formerly not homeless, current HCV participant</b>	110	<b>92%</b>
Formerly not homeless, past	10	8%
Total formerly homeless	120	100%
Average move-in costs, HCV clients 2018	\$ 2,198	
Average move-in costs, HCV clients 2019	\$ 1,733	
<b>Two-year average move-in costs of clients sampled</b>	<b>\$ 1,966</b>	

From the above, we see that one-quarter of the current waitlist is homeless.

Based on vouchers issued between January 1, 2017 and December 31, 2018, only 12% of lease-ups were homeless.

Once on the program and receiving the monthly subsidy, formerly homeless clients have a negligibly higher rate of continued assistance than formerly non-homeless clients, indicating an equivalent success rate of staying in affordable housing as non-homeless clients.

The average move-in costs of approximately \$2,000 includes (typically) a security deposit, prorated rent, and an estimate of PG&E deposit to secure utilities service.

### **Move-in Assistance Payment Program Pre-Approval Letter**

Date

Dear Landlord:

Based on information provided by ((Client name)), the Housing Authority of the County of Humboldt (HACH) has approved this client to receive assistance under our Move-in Assistance Payments Program. This means that HACH will pay up to \$(Three times the FMR @109%) on behalf of ((Client name)) *directly* to the landlord and/or utility provider for move-in costs for an approved rental unit.

Final approval of payments is subject to receipt of the following:

1. A passing Housing Quality Standards initial (move-in) inspection of the rental unit
2. A signed, executed copy of the lease between ((Client name)) and landlord
3. A signed HAP contract between HACH and ((Client name))
4. A signed HAP contract between HACH and landlord

Once the above requirements are met, HACH will initiate payment processing directly to the landlord and/or utility provider. We typically pay our landlords via direct deposit, and in doing so are able to significantly shorten any payment processing time or delays. This is a grant funded payment made on behalf of our client; at move-out any refund would be handled directly between the client and landlord according to California tenant-landlord law.

This pre-approval letter has an initial period of 60 days and will automatically be extended concurrent with any voucher extensions given.

If you have any questions about this letter or any of our housing programs, please contact the Housing Authority at 707.443.4583.

We thank you for supporting the Housing Choice Voucher program!

*Please note, this is a list of known property managers. It is not an exhaustive list, but a resource guide to assist you in your home search. Humboldt County also has several landlords with one or two rental properties which they manage. We encourage you to use as many sources (this list, newspaper, internet, bulletin boards, etc.) as possible to ensure a successful home search.*

# Humboldt Community Resource List

October 2018 (6th edition)

Main Category	Name	Address	Phone	Website	Brief Description
Abuse (Adult/Children)	<i>Child Abuse Prevention Coordinating Council</i>	PO Box 854, Eureka, CA 95502	707-445-7006	<a href="http://www.capchumboldt.org">http://www.capchumboldt.org</a>	Provides training, public awareness and support regarding child abuse prevention, intervention and treatment efforts.
Abuse (Adult/Children)	<i>Child Welfare Services, DHHS</i>	929 Koster St., Eureka, CA 95501	707-445-6180	<a href="http://humboldt.gov/497/Child-Welfare-Services">http://humboldt.gov/497/Child-Welfare-Services</a>	Emergency Response workers investigate reports of child maltreatment. Protection of the child is the main goal, and maintaining the family unit is emphasized whenever possible. Emergency response services are available 24 hours a day, seven days a week.
Abuse (Adult/Children)	<i>Long-Term Care Ombudsman Program, Area 1 Agency on Aging</i>	434 Seventh St., Eureka, CA 95501	707-269-1330	<a href="http://www.a1aa.org/programs-and-services/ombudsman">http://www.a1aa.org/programs-and-services/ombudsman</a>	The Long-Term Care Ombudsman Program is a community-supported program, built largely of volunteers who are trained and certified to advocate for the rights of residents of skilled nursing and residential care facilities.
Abuse (Adult/Children)	<i>North Coast Rape Crisis Team</i>	PO Box 1011, Eureka, CA 95502	Hum: 443-2737, hotline 445-2881. Del Norte: 465-6961, hotline 465-2851	<a href="http://www.ncrct.org">http://www.ncrct.org</a>	Serves survivors of all ages and genders who have experienced sexual abuse and the non-offending people who care about them. 24 hour crisis line, in-person counseling, support group, advocacy, accompaniment, information and referrals, prevention education.
Adoption Services	<i>Adoption Horizons/Licensed</i>	10 W Seventh St. Suite F, Eureka, CA 95501	707-444-9909	<a href="http://www.adoption-horizons.org/">http://www.adoption-horizons.org/</a>	Provides adoptable children with families, state licensed home studies, counseling/adoption planning for pregnant woman, adoption education, preparation and guidance to singles and couples desiring to adopt.
Adoption Services	<i>Adoption Services Bureau, State Department of Social Services</i>	749 F St., Arcata, CA 95521	707-826-9180	<a href="http://www.cdss.ca.gov/Benefits-Services/Adoption-Services/Adoptions/Adoption-Field-Offices/Arcata-Adoption-Office">http://www.cdss.ca.gov/Benefits-Services/Adoption-Services/Adoptions/Adoption-Field-Offices/Arcata-Adoption-Office</a>	For parents who relinquish a child to an adoption agency for placement, who place a child directly, or who wish to adopt. Information available about licensed public and private adoption agencies.
Adoption Services	<i>Environmental Alternatives Foster Family Agency</i>	612 G St. Suite 104, Eureka, CA 95501	707-443-7370	<a href="http://www.ea.org/">http://www.ea.org/</a>	Provides nurturing homes with love to match with foster children. Social workers visit the kids and their foster parents weekly. Operates several six-bed group homes and a 30 bed group home, as well as offering transitional rental housing for youth aged 18-24 who have aged out of foster care.
Adoption Services	<i>Infant Placement Program: Adoption Horizons</i>	10 W Seventh St. Suite F, Eureka, CA 95501	707-444-9909	<a href="http://www.adoption-horizons.org/programs/infant-placement/">http://www.adoption-horizons.org/programs/infant-placement/</a>	The Infant Placement Program differs from other independent adoption programs. This program is geared exclusively for women who want to improve themselves through the process of adoption. Adoption Horizons assists the family through the matching and legal processes, as well as counsels and supports the birthmother.
AOD Services	<i>Substance Use Disorder (SUD) Programs</i>	---	---	---	See SUD Services.
AOD: Residential Facilities and Clean & Sober houses	<i>Substance Use Disorder (SUD) Residential Programs</i>	---	---	---	See SUD: Residential Facilities and Clean & Sober Houses.
Cancer Services	<i>American Cancer Society</i>	611 Harris St., Eureka, CA 95503	707-442-1436	<a href="http://www.cancer.org/">http://www.cancer.org/</a>	Comprehensive source of national and local resources and information for those dealing with the challenges of cancer. ACS Thrift Store at 2942 F St., Eureka.
Cancer Services	<i>American Society of Clinical Oncology(ASCO)</i>	2318 Mill Road, Suite 800, Alexandria, VA 22314	571-483-1780, 888-651-3038	<a href="http://www.cancer.net/">http://www.cancer.net/</a>	Cancer.Net provides timely, comprehensive, oncologist-approved information from the ASCO. Cancer.Net brings the expertise and resources of ASCO to people living with cancer and those who care for and about them to help patients and families make informed health care decisions.
Cancer Services	<i>Cancer Care Program, St. Joseph Health – Humboldt County</i>	2700 Dolbeer St., Eureka, CA 95501	707-269-4242, 800-477-1922	<a href="http://www.stjosepheureka.org/Our-Services/Cancer-Program.aspx">http://www.stjosepheureka.org/Our-Services/Cancer-Program.aspx</a>	Comprehensive cancer care to reduce morbidity and mortality from cancer.

# Humboldt Community Resource List

October 2018 (6th edition)
