- 1) I've served on "Measure Z" Committee for the past 3 years - I'd guess the actions of "Cannabis Micro Grant" are going to be just about the same in evaluation of grants.
- 2) My experience in the Cannabis community varies
- (a) I've lived in Humboldt County most of my adult life - I've been "around #grass" for 40 years -
 - (b) I serve on the Eureka Planning Commission - the past two years I've been involved on the vote of 38 approved Cannabis Companies - from Retail the manufacturing - I've toured many many sites -
- 3) no experience in ~~writing~~ writing grants - On the planning Commission I've read many applications concerning the Cannabis industry -
- 4) I am excited about a new (old) industry starting up in Humboldt - I think this industry can add to the employment in Humboldt County - I want to do what I can to help this industry come out of the "dark" into the sunlight!

Additional
I have a lot of friends I can turn to for input on the industry - The problems it faces How to make it easier for the new companies to reach their goals
