PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU'RE INTERESTED IN SERVING ON THE HUMBOLDT COUNTY
CANNABIS MICRO-GRANT & LOAN ADVISORY COMMITTEE.

Hello! First of all I would like to express my appreciation for the efforts of the minds behind Project Trellis. It is a wonderful thing for a community to support its people.

As a Humboldt county local, HSU alumni, and sole proprietor of a local business unrelated to cannabis, the general economic health of the Emerald Triangle is important to me. As a believer that cannabis has a vital role in that economy, I would like very much to be a positive influence in the transition from the traditional to modern cannabis industry, in hopes that when the Humboldt cannabis community thrives, our region as a whole will benefit.

Please note: Having secondary employment in a local cannabis company firstly gives me scope of understanding and secondly would cause me to recuse myself from voting in favor of that company, should they apply for funding.

Thankyou for your consideration. ~Hannah Joy
