RE: PROPOSED RED CURB / NO PARKING ZONE

Dear Ms. Nguyen,

The Department has received complaints regarding sight visibility from traffic on westbound Arbutus Street stopped at Walnut Drive not being able to adequately see traffic along Walnut Drive. The Department has investigated the complaints and determined that sight visibility could be improved if parking were prohibited at all times along a portion of the frontage of your property located at 2304 Arbutus Street, APN 018-082-043.

In order to establish a no parking zone, an ordinance must be adopted by the Board of Supervisors. The Department is looking for your support and comments regarding the proposed parking restriction. See the attached diagram for the location of the proposed no parking zone.

Please take a moment to indicate your support or opposition of the proposed ordinance by completing the form below, and returning it in the postage paid envelope provided, no later than November 8, 2019.

Thank you for your time and input. If you have any questions, please feel free to call me at 707.445.7205.

Sincerely,

Robert W. Bronkall, PE, LS
Deputy Director
Road & Equipment Maintenance Division

- ☒ I support the proposed no parking zone.
☐ I oppose the proposed no parking zone.

Subject: RE: 2725 Central Ave, (No Parking)

Kevin-

We will add this request to our next no parking ordinance.

The Department of Public Works periodically prepares no parking ordinances for the Board of Supervisors to approve. We usually wait until we have a bunch of them to group up; or we do the ordinance quarterly, whichever occurs first. Unfortunately, your request came in a little too late and we just missed the window for including this no parking zone in our current batch of no parking ordinances. We are looking at September/October at the latest for getting this request before the Board of Supervisors.

Subject: FW: 2725 Central Ave,

I told him not to extend, can we see if this is covered and if not develop a no-parking ordinance to cover it?

Thanks

Tom

Subject: 2725 Central Ave,

Good Afternoon Tom, Can I continue the red paint along the curb another 10 or 15 feet to the north of my driveway ? I am getting complaints from customers that viability is poor when they are leaving the store. I was planning on touching up the existing paint as its been a couple of years since we last did it.

Thanks

Kevin Jenkins
Manager
McKinleyville Home & Garden Center

I approve the county extending the red curb for visibility purposes on the corner of Walnut Drive and Arbutus Street.
